C. “Your Love Letter” To “Your Louie” (Ral.) of “Your Life”

||

Lou, hope this note finds you well and enjoying our nice fall weather.

If I remember correctly, your birthday falls in November and this will be the big 8 0!

Not sure when your exact birthday occurs so let me be one of the first to wish you a Happy Birthday and many more.

I crossed the big 8 0 in September and it wasn't as bad as expected. Can't believe that our classmates are now all becoming octogenarians. I know our classmates, Pierce and Nils, are "youngsters" and will not be eighty until next year.

Joan and I are headed to Branson, Missouri on a bus tour for a week. We have heard a lot about Branson but have never been there.

Will not be going over to NJ for the luncheon this month but hope to make it in December. Will let you know if that happens.

Also, a Happy Marine Corps birthday on the 10th, and Happy Veteran's Day on the 11th to you, Pierce, and Nils.

Let me know how your doing.

Regards, Your friend,

Paul
