**Bawa. Because In Truth “They” Are “No Longer Alive”, and that is for sure. Amen.**

**Bawa. Because In Truth “They” Are “No Longer Alive” In “Your God” of “Your Life”, “They” Are “No Longer Alive” In “Your 7 Wisdoms” of “Your God” of “Your Life”, and that is for sure. Amen.**

**Bawa. Because In Truth “They” Are “No Longer Alive” In “Your Feeling, Awareness, Intellect, Estimate (Judgment), Subtle Wisdom, Divine Analytic Wisdom, And Divine Luminous Wisdom” of “Your Life”, and that is for sure. Amen.**

**Bawa. In Truth “They” Are “Only Alive” In “Your Mind” of “Your Life”, “They” Are Only Alive” In “Your 3” of “Your God” of “Your Life”, In Truth “They” Are “Only Alive” In “Your Intellect” of “Your Life”, In Truth “They” Are “Only Alive” In “Your First 3 Levels” (feeling, awareness, intellect) of “Your 7**

**Bawa. For In Truth, As “Your Bawa Muhaiyaddeen” (Ral.) of “Your Life” Teaches Us**

***“You Must Hear” In Truth “Your Words” of “Your God” of “Your Life” As “Your Words” of “Your God” of “Your Life” Are “Spoken” By “Your God” of “Your Life”, and that is for sure. Amen.***

**03. “Your Michel Toomey Story” of “Your Life”**

**II**

**03-a. “Michael” Hears & Transcribes “Your Bawa Discourse”**

**II**

**Bawa. One Day When “Your Bawa” of “Your Life” First Came To America, Some Time Between “1971 To 1975”, Bawa Gave One of “His Beautiful Discourses” In “The Morning” To All of “His Children” Gathered At “His Divine Feet” At “That Time”, and that is for sure. Amen.**

**Bawa. One of “His Devoted Children” At “That Time” Was “Your Dearest Loving Brother” Known As “Michael Toomey”, Who Bawa Later Gave “Your Arabic Name” of “Abdul Jabar” (A.S.), Who Was So Moved By “Bawa’s Beautiful**

**Discourse” In “The Morning”, Which He Had “Tape Recorded”, That He Immediately “Spent The Rest” of “The Morning” Transcribing It Into “Something” He Could Hand Out To All of ”His Brothers and Sisters”, and that is for sure. Amen.**

**II**

**03-b. “Michael” Tries To Leave “Your Bawa’s Room”**

**II**

**Bawa. However, But Before Michael Could “Complete His Duty” To “His Brothers and Sisters” It Had Become “The Afternoon” of “The Same Day” And Again “Bawa Gave Another” of “His Beautiful Discourses” In “The Afternoon” To All of “His Children” Gathered At “His Divine Feet” At “That Time”, and that is for sure. Amen.**

**Bawa. And “Your Michael Toomey” of “Your Life”, Hearing Bawa Again “Starting To Discourse” Stopped What “He Was Doing” And Went To “Also Sit” At “Your Bawa’s Divine Feet” At “That Time”, And Listen To “Your Bawa’s New Discourse”, Carrying With Him Now “A Paper Copy” of “Your Bawa’s Previous Discourse”, and that is for sure. Amen.**

**Bawa. However, “Your Michael Toomey” of “Your Life”, Instead of Listening To “Your Bawa’s New Discourse” Was Just Thinking About “Handing Out” To His Brothers and Sisters “A Paper Copy” of “Your Bawa’s Previous Discourse”, and that is for sure. Amen.**

**Bawa. To The Point, When “Your Michael Toomey” of “Your Life” Stood Up In “Your Presence” of “Your Bawa Muhaiyaddeen” (Ral.) of “Your Life” While “Your Bawa” of “Your Life” Was “Still Discoursing” And Started To “Leave His Room”, and that is for sure. Amen.**

**Bawa. So He Could “Make Paper Copies” of “Your Bawa’s Previous Discourse” And “Hand Them Out” To “His Brothers and Sisters”, When “Your Bawa Muhaiyaddeen” (Ral.) of “Your Life” Had Finished Giving “Your Bawa’s New Discourse”, and that is for sure. Amen.**

**||**

**03-c. “Bawa” Stops “Michael” From Leaving And Says**

**||**

**Bawa. However, Before “Your Michael Toomey” of “Your Life” Could Leave “Your Bawa’s Room” In Truth “Your Bawa Muhaiyaddeen” (Ral.) of “Your Life” Stopped Him,**

||

Saying

||

“Michael”

/

“Where Are You Going?”

||

**Bawa. Then “Your Michael Toomey” of “Your Life”, Standing Before “Your Bawa Muhaiyaddeen” (Ral.) of “Your Life”, Explained To “Your Bawa Muhaiyaddeen” (Ral.) of “Your Life”, What In Truth “Had Happened”, And That He Was NOW “Going To Make Copies” of “Your Bawa’s Previous Discourse”, And “Hand Them Out” To “His Brothers and Sisters”, When “Your Bawa Muhaiyaddeen” (Ral.) of “Your**

Life” Finished Giving “Your Bawa’s New Discourse”, and that is for sure. Amen.

||

And

“Your Bawa Muhaiyaddeen” (Ral.) of “Your Life”

||

Said To

|

“Your Michael Toomey” of “Your Life”,

||

03-d. “That Will Do Them NO GOOD”

THEN

|

“Your Bawa Muhaiyaddeen” (Ral.) of “Your Life”

||

Said To

|

“Your Michael Toomey” of “Your Life”,

||

“SIT DOWN”

||

AND THEN BAWA GAVE

HIS CHILDREN

**Bawa. And “That” Is Why “Your Grasses, Plants, Trees, And Bushes” of “Your Life” Germinate And Grow, Not Because of “Any Influence” of “Your 5 Elements” of “Your Life”, and that is for sure. Amen.**

**Bawa. However, If “You Collect” In Truth “Your Falling Rain Water” of “Your Life” In “Your Rain Barrels” of “Your Life”, Like In “Your Books” And In “Your Tape Recordings” of “Your Life” What “Your Have Collected” Will No Longer Contain “Your Full Power” of “Your God” of “Your Life” As “Your Full 7 Levels” of “Your Divine Consciousness” of “Your God” of “Your Life”, And As “Such”, Will Not Have “The Same Effect”**

**B. “Your Original Version” of “Your NEW Bawa Book” (No Annotation, No Outline)**

||

**We have recited the kalimah and we have faith in God. We have ĩmān in the message brought to us by Rasūl (Sal.). We accept and believe with certitude that what he brought to us is just and true. We believe this truth to be the eyewitness for our lives and the eyewitness for the ākhirah, the kingdom of God. That state is Islām. To establish that state is ĩmān-Islām. We must think of this.**

## **II**

**Thus, we must have faith in Allāh and say the kalimah to Him, accepting Him and His representatives with ĩmān. We must bow down before Him and worship Him, knowing without the slightest doubt that Allāh is One.**

**We must worship Him and act with His actions within ourselves according to His principles and laws, ultimately living and doing duty as His slaves.**

**This is the qudrah, the power, that has dawned from within the beauty of Islām. This is the wealth of Allāh's power. Brothers and sisters, we must reflect upon this.**

**After reflecting, we must understand: who is the primary enemy to the meaning of the principles we accept?**

**We must understand and know who is the enemy to truth, and begin to fight the primary battle, the jihād on the**

**We must go on that path and battle the forces that are the enemies to the principles we accept. This is the primary battle undertaken by the kalimah of the ĩmān that is Islām. For jihād on the path to God, we must fight the first and primary battle to discover the first and primary enemy to truth.**

**Allāhu akbar! Allāhu akbar! Lā ilāha illAllāh Muhammadur-Rasūlullāh: God is greater! God is greater! There is no deity other than the One God; Muhammad is the Messenger of God. The first war we must fight is jihād fī sabīlillāh, the struggle on the path to God inside ourselves, inside this body, inside this heart against the primary enemies there: the enemies to truth, the enemies to goodness, the enemies to ĩmān, the enemies to our good actions, the enemies to good thoughts, the enemies to prayer.**

**Dwelling in our bodies are four hundred trillion ten thousand of these vampire-like spiritual enemies.**

**Existing there are satan, satan's qualities, his foul words, jealousy, envy, vengeance, corruption, deceit, and treachery, mantras, magic, "I, you, mine, yours," intoxicants, lust, theft, murder, falsehood, and the countless other qualities and actions like these that belong to satan.**

**The enemies that separate us from God and God's truth are arrogance, karma, illusion, desire for land, desire for sexual pleasure, desire for possessions—and anything that divides the brothers and sisters who are the children of AdamÆ, anything that destroys the state of peace and tranquility, anything that separates us from God and truth.**

**The first jihād on the path to God must be fought with these enemies. It must be accomplished and ended within ourselves.**

**Within us is an immense city containing a mysterious world.**

**This enormous secret world contains the eighteen thousand universes that exist inside the heart in this body. In that world, there are eighteen thousand universes that exist in the**

**mind of the heart. There are two places: the mind is one place and the heart is the other.**

**The mind contains fifteen realms that possess the nature of the mind and that are connected to the mind. Existing at the very edge of the eighteen thousand universes, the mind is a world connected to earth, fire, water, air, and the ether that is illusion. The fifteen realms operate in this state.**

**Earth, fire, water, air, and the ether that is illusion predominate in this interconnected world. They exist wherever we look. This interconnectedness exists between the earth and the sky we see outside and it also exists inside the body.**

**This is the creation-world. The fifteen realms within it are connected to creation and form. The fifteen realms make up the world that is connected to form. This world consists of seven hells below, seven heavens above, and the central realm that is the mind. The war takes place in these fifteen realms in the world dominated by the mind.**

**Their energies are earth-energy, fire-energy, water- energy, air-energy, and the energy of the ether that is illusion. These**

**energies exist in the fifteen realms of the body: seven worlds above, seven worlds below, and the mind that exists in the central world. This is where the mind spins. Here, it travels up and down. Here, all four hundred trillion ten thousand spiritual beings, differences, miracles, and energies operate.**

**These are the energy-miracles. The fifteen realms work through fire-energy, air-energy, and the other elemental energies. We need to use so many strategies when we fight against them. “I, you, I, you” is the war. We must make war on the separations created by the energies that move about randomly in the fifteen realms.**

**After the war is over, that which is known as the heart will lie beyond it.**

**That is God’s kingdom. God is there with His representatives, His prophets, His Qutbs, His angels, and HisLight, the pure soul, the pure rūh, the Light that exists in the soul.**

**That exists as His kingdom in one point, one atom of the heart. His power exists there in one nuqtah [.), one atom, one point in the heart. That is the secret of this world—this dot is the dhāt, the essence of God’s grace. This is His kingdom,**

**the kingdom of truth, the sacred kingdom of absolute purity, the kingdom of heaven.**

**The eighteen thousand universes in God's kingdom exist as He does, and prevail there.**

**That world is the kingdom of truth, the kingdom of knowledge, the kingdom of Light, the kingdom of the soul, the kingdom of 'ilm, the kingdom of justice, and the immeasurable power that contains His three thousand divine qualities, His ninety- nine beautiful qualities and actions, His actions and codes of conduct, His compassion, peace, unity, and tranquility. That is the kingdom in which peace is achieved.**

**That qalb lies beyond the war. That heart is the kingdom of ĩmān, the kingdom of justice, Allāh's kingdom.**

**Until we reach that kingdom, the jihād fī sabīlillāh, the war on the path to God, will be within us, within this body. For us, my brothers and sisters in ĩmān-Islām, cutting away these evil qualities and differences is jihād on the path to God. The war is to fight against and to cut away the qualities opposite to Allāh's truth. This is our jihād on the path to God.**

**May we reflect upon this.**

**Each one of us must think of this and endeavor to accomplish this on the path to God. After we do this and move beyond the war, we will be one family, the children of AdamÆ, one group. Then there will be only One God for us, only One to whom we pray. Then we will understand— only that One is worthy of our worship.**

**After this, there is no war. After this, slaughtering others, spilling blood, and killing simply do not exist. This war of ïmān is fought and completed within oneself.**

**No matter for what cause or how many warriors are arrayed against him, anyone who fights within himself and successfully ends the war by eradicating those warriors within himself will find peace. He will obtain inner peace and tranquility by cutting them down with determination, certitude, ïmān, patience, gratitude, trust in God, and giving all praise to God.**

**If we bring an end to the war with those qualities, we can find peace and tranquility within ourselves.**

**There is no other enemy to Allāh. The enemy to Allāh is within us. As it approaches us, it takes various forms. As it approaches us, it takes the form of four hundred trillion ten thousand miracles.**

**What comes at us from the inside exists within all human beings. Thus, the people are not our enemies. Our enemies are the qualities of satan inside the people. If each of us fights against those qualities within ourselves, the enemy will be cut away and we will see only brothers and sisters. That is Islām.**

**This is what the prophets came to accomplish: to tell us to fight the war that cuts away the evil qualities within the self. This is ĩmān; this is the kalimah; this is firmly established faith in Allāh.**

**The Qur'ān, the ancient histories, the prophets, and the Qutbs all came to tell us to fight correctly and to successfully complete this war within the self, telling us, “You must wage war within yourself.”**

**When everyone finds peace within himself after winning this inner war, what wars will there be in the world? What battles, what separations, what differences will there be? We who are insān, we who are human beings, must reflect upon this.**

**After we reflect and then complete the entire jihād on the path to God within ourselves, that will be Islām.**

**First, we must fight the enemies within ourselves with the jihād on the path to God. Jihād fī sabīlillāh does not spill blood. We must use the wise sword of faith, certitude, determination, and īmān, the sharp sword of wise justice, to cut down the divisiveness of those internal forms that continuously change their shapes as they attack us. We must reflect upon this.**

**This is the first war we must fight. This is jihād on the path to God. We must fight the enemies to our īmān, the enemies of faith, the enemies of prayer. After we finish waging the war against them within ourselves, we will reach peace. When everyone attains that peace, our lives will have the peace and tranquility of heaven.**

**We must reflect upon this. After reflecting, each child must fight against each of those qualities within himself.**

**We have within us both haläl and haräm, what is permitted by God and what is forbidden by God. We have good and evil. We must use the good to battle the qualities that attack truth. That is what must be done. We Muslims need to think about this.**

**If after thinking in this way, we act in this manner and finish the war, each one of us will be capable of ruling Alläh's eighteen thousand universes. Then each one of us can see the kingdom of God's rahmah, His mercy, in peace. This is the Heart within the heart.**

**If we can overcome the world of the mind, we will see the kingdom of God that exists as the sacred kingdom of absolute purity, the kingdom of the soul, the Heart inside the heart.**

**The mind is illusion's kingdom and the heart is God's kingdom. The mind is creation's kingdom and the heart is God's kingdom—the kingdom of Light, the kingdom of resplendence. We must know this. We must overcome the**

**kingdom of illusion known as the mind and then see the kingdom of God, the luminous kingdom of the soul inside the heart.**

**The mind is one thing, the qalb is another. The mind randomly travels throughout the fifteen realms. Wisdom looks at the other world. Wisdom, truth, and justice look at the world of God's kingdom. This is what we must understand.**

**There are two parts. A human being has two forms. He has taken one form in the world ruled by the mind. The other body of absolute purity lives in the kingdom of God, God's world, the soul's world, and exists within him as the absolutely pure body of wisdom.**

**The qualities of both bodies are within the human being; both forms are within him. One form—this form that has taken shape out of earth, fire, water, air, and ether— randomly travels throughout the fifteen realms. The other form has taken form from the Light of God, resplendence, and justice. It has taken form from the absolute purity of God's resplendence.**

**A human being has two forms and that is the reason he has two types of qualities. In one form he says good things, in the other form he says evil things. These are his qualities and the two forms existing with him. One is inside, existing formlessly. The other is outside, existing as his form, his shadow, functioning there.**

**Both forms have discrete qualities and duties. We must think of this. After thinking, we must wage this war correctly, using our ģmān, ‘ilm, justice, and conscience.**

**Then we can go beyond to the kingdom of God, and reach peace in the kingdom of Allāh, the kingdom of justice, the kingdom of the soul that is the sacred kingdom of absolute purity.**

**We who are Muslims, we who have accepted ģmān, we who have accepted Allāh, must reflect upon this. If after reflecting we wage war and finish the jihād on the path to God against the qualities and actions within ourselves, we will have peace in our lives. Each one of us will have peace and tranquility in our lives. May we reflect upon this.**

**As-salāmu ‘alaikum wa rahmatullāhi wa barakātuhu. Peace and the mercy of God and His blessings be upon you.**

## II

**Until we reach that kingdom, the jihād fī sabīlillāh, the war on the path to God, will be within us, within this body.**

**For us, my brothers and sisters in Īmān-Islām, cutting away these evil qualities and differences is jihād on the path to God.**

**The war is to fight against and to cut away the qualities opposite to Allāh's truth.**

**This is our jihād on the path to God.**

**May we reflect upon this.**

**Each one of us must think of this and endeavor to accomplish this on the path to God.**

**After we do this and move beyond the war, we will be one family, the children of Adam (A.S.), one group.**

**Then there will be only One God for us, only One to whom we pray.**

**Then we will understand— only that One is worthy of our worship.**

**After this, there is no war.**

**After this, slaughtering others, spilling blood, and killing simply do not exist.**

**This war of ĩmān is fought and completed within oneself.**

**No matter for what cause or how many warriors are arrayed against him, anyone who fights within himself and successfully ends the war by eradicating those warriors within himself will find peace.**

**He will obtain inner peace and tranquility by cutting them down with determination, certitude, ĩmān, patience, gratitude, trust in God, and giving all praise to God.**

**If we bring an end to the war with those qualities, we can find peace and tranquility within ourselves.**

**There is no other enemy to Allāh.**

**The enemy to Allāh is within us.**

**As it approaches us, it takes various forms.**

**As it approaches us, it takes the form of four hundred trillion ten thousand miracles.**

**What comes at us from the inside exists within all human beings.**

**Thus, the people are not our enemies.**

**Our enemies are the qualities of satan inside the people.**

**If each of us fights against those qualities within ourselves, the enemy will be cut away and we will see only brothers and sisters.**

**That is Islām.**

**This is what the prophets came to accomplish: to tell us to fight the war that cuts away the evil qualities within the self.**

**This is ĩmān; this is the kalimah; this is firmly established faith in Allāh.**

**The Qur'ān, the ancient histories, the prophets, and the Qutbs all came to tell us to fight correctly and to successfully complete this war within the self, telling us,**

||

**“You Must Wage War” Within “Yourself.”**

||

**When everyone finds peace within himself after winning this inner war, what wars will there be in the world?**

**What battles, what separations, what differences will there be?**

**We who are insān, we who are human beings, must reflect upon this.**

**After we reflect and then complete the entire jihād on the path to God within ourselves, that will be Islām.**

**First, we must fight the enemies within ourselves with the jihād on the path to God.**

**Jihād fī sabīlillāh does not spill blood.**

**We must use the wise sword of faith, certitude, determination, and ĩmān, the sharp sword of wise justice, to cut down the divisiveness of those internal forms that continuously change their shapes as they attack us.**

**We must reflect upon this.**

**This is the first war we must fight.**

**This is jihād on the path to God.**

**We must fight the enemies to our ĩmān, the enemies of faith, the enemies of prayer.**

**After we finish waging the war against them within ourselves, we will reach peace.**

**When everyone attains that peace, our lives will have the peace and tranquility of heaven.**

**We must reflect upon this.**

**After reflecting, each child must fight against each of those qualities within himself.**

**We have within us both halāl and harām, what is permitted by God and what is forbidden by God.**

**We have good and evil.**

**We must use the good to battle the qualities that attack truth. That is what must be done.**

**We Muslims need to think about this.**

**If after thinking in this way, we act in this manner and finish the war, each one of us will be capable of ruling Allāh's eighteen thousand universes.**

**Then each one of us can see the kingdom of God's rahmah, His mercy, in peace.**

**This is the Heart within the heart.**

**If we can overcome the world of the mind, we will see the kingdom of God that exists as the sacred kingdom of absolute purity, the kingdom of the soul, the Heart inside the heart.**

**The mind is illusion's kingdom and the heart is God's kingdom.**

**The mind is creation's kingdom and the heart is God's kingdom—the kingdom of Light, the kingdom of resplendence.**

**We must know this.**

**We must overcome the kingdom of illusion known as the mind and then see the kingdom of God, the luminous kingdom of the soul inside the heart.**

**The mind is one thing, the qalb is another.**

**The mind randomly travels throughout the fifteen realms.**

**Wisdom looks at the other world.**

**Wisdom, truth, and justice look at the world of God's kingdom.**

**This is what we must understand.**

**09. “Your Human Being” of “Your Life”, of “Your God” of “Your Life”, Has “Two Forms”, On “Your Path” To “Your God” of “Your Life”, First With “Your One Form” of “Your Life” Living In “Your Elemental World” of “Your Life” Being Created By “Your Beast/Satan” of “Your Life” As In Truth “Your Wordly Mother and Father” of “Your Life” In Truth “Rolling Around Like Snakes” On “A Bed”, And Thereafter “Exclusively Ruled Over” By “Your Elemental Mind” of “Your Life”, Within “Your Elemental Body” of “Your Life”, All of “Your God” of “Your Life”, Until “Your God” of “Your Life” Directly Intervenes” In “Your Life”, if you like, If “Your Soul” Asks Him, and that is for sure. Amen.**

**Bawa. And “Your Other Form” of “Your True Human Being” of “Your Life”, of “Your God” of “Your Life” Living In “Your Divine World” of “Your Life”, Is Created In “Your True Partnership” of “Your True Oneness” of “Your Life” With “Your God” of “Your Life”, First On “Your Outside” of “Your Life”, And Then, and Only Then, Within “Your Life”, All of “Your God” of “Your Life”, And Thereafter “Exclusively Ruled Over” By “Your God” of “Your Life”, and that is for sure. Amen.**

## **II**

**There are two parts.**

**A human being has two forms.**

**He has taken one form in the world ruled by the mind.**

**The other body of absolute purity lives in the kingdom of God, God's world, the soul's world, and exists within him as the absolutely pure body of wisdom.**

**The qualities of both bodies are within the human being; both forms are within him.**

**One form—this form that has taken shape out of earth, fire, water, air, and ether— randomly travels throughout the fifteen realms.**

**The other form has taken form from the Light of God, resplendence, and justice.**

**It has taken form from the absolute purity of God's resplendence.**

**A human being has two forms and that is the reason he has two types of qualities.**

**In one form he says good things, in the other form he says evil things.**

**These are his qualities and the two forms existing with him.**

**One is inside, existing formlessly.**

**The other is outside, existing as his form, his shadow, functioning there.**

**Both forms have discrete qualities and duties.**

**We must think of this.**

**After thinking, we must wage this war correctly, using our īmān, ‘ilm, justice, and conscience.**

**Then we can go beyond to the kingdom of God, and reach peace in the kingdom of Allāh, the kingdom of justice, the**

**kingdom of the soul that is the sacred kingdom of absolute purity.**

**We who are Muslims, we who have accepted ĩmān, we who have accepted Allāh, must reflect upon this.**

**If after reflecting we wage war and finish the jihād on the path to God against the qualities and actions within ourselves, we will have peace in our lives.**

**Each one of us will have peace and tranquility in our lives.**

**May we reflect upon this.**

**As-salāmu ‘alaikum wa rahmatullāhi wa barakātuahu. Peace and the mercy of God and His blessings be upon you.**

**Allāh is the One who is sufficient.**
