Bawa. “Thank You Paul and Fatimah” of “My Life” For “Your Last Love Sharings” On 02-27-19 With “Your Very Precious Louie” (Ral.) of “Your Life”, IT WAS WONDERFUL, and that is for sure. Amen.

Bawa. My Love You - "My Very Precious Paul And Fatimah" (Ral.) of "My Life", and that is for sure. Amen.

||

01. "Your FIRST Love Sharing"

||

Bawa may the peace of Allah be upon you and all of our family, may we be one. May He raise your station.

Bawa my love you.

My Shaikh I urgently request your advice. My older brother has been spiraling downward for years. He's been heavily addicted to drugs and alcohol, bounces back and forth between atheism and belief even though he has actually seen a jinn, and now he has no job, HIV, and probably no place to live. He just burned what seems to be his last bridge with a very good friend that opened his home to him. He was so rotten to my parents, they no longer want him to come back.

Bawa Louie your child may be able to get him a job, but your child has anger towards him, and great sadness. Your child always believed he was supposed to walk on this path with him, but he became angry with our Father when He didn't give him what he wanted. He wanted a woman that got physically abused, and dumped to come back to him, and blamed God for her not coming back. Your child does not trust him.

By Islamic law he is non-mahram, and he cannot be alone with this child's wife, your daughter, especially since your child is in Iraq until September at the earliest. The jinn and all the angry things inside your child are making a fuss. Your child is so sorry and wrong to say he wanted to hurt his brother for the way he treated their parents. Your child would be very upset if his brother harmed your daughter, or if he messed up his last possible job opportunity. Islam is helping, but what looks like helping is not always helping. If your child was to invite his brother into his home wouldn't this just be inviting a dangerous beast in? What to do!?

Bawa Louie is your child not always within your eye?

Bawa Louie there is little you cannot know, what would you have me do?

||

02. “Your SECOND Love Sharing”

||

Bawa my Bawa Louie your child has not been kind to you. This child is like the one that bites and kicks it's mother when she tries to give the milk certainly that is what this child has been in his great ignorance.

Bawa Louie forgive your child for not being kinder, for not returning the love you deserve, and not giving you the questions you deserve! Bawa your child has been in a state of confusion and lately he has not been singing his love songs, or even reading his loves letters.

Bawa Louie your child doesn't know if things are easy for your other children to understand, and you certainly made it easier for this child, but more questions have arisen now, and your child has been afraid to ask them, but he must because

this is unfair to you because you have to deal with this child's false self.

Bawa Louie first this child understands you have given us a choice in what to call you, but there have been times when you've told us to just call you Louie. If you had to choose what this child would call you what would it be? Your child wishes to call you that.

Bawa Louie secondly your child is curious about the practice you want him to do. The only practice is the presence of Allah, yes? Your child has asked this before, but now in a more direct way, a way you deserve, the most honest way this child can.

Bawa Louie in your name, whatever name you choose to give to this child, when this child calls your presence with that name, does it have the same effect as singing all of the love songs? Isn't everything good contained in whatever name you give to this child? Would this be "the only practice" you are speaking of in your latest letter? Is there boundless value in doing anything except calling you?

Are you not Alhamdullilah and Tawakul Allah? Are these things not contained and alive inside whatever name you give this child, so that he doesn't have to say, or understand anything except your name, as his only practice?

Bawa Louie your child has his phone with him, and he can read your love letters and songs, but he will not always be able to. Your child should certainly be getting out of the way to do these things, but there will truly be times he cannot read from his phone, nor can he memorize your love songs. Your child will have disobeyed you without this phone.

Please don't let that even be a possibility! Let it be that this child was too foolish. Please do not give him a chance to blame his phone. If he has misunderstood the practice, and it is not to ONLY keep calling you, please change it to something extremely simple that can be done without a book, or a phone. Please be One with me, do not be separate from me.

Bawa Louie will whatever practice you give open and marry us to our kursi, no matter what the instructions are? Bawa Louie will we one day see everything as light, even as your Bawa did, and as your child assumes you did? Your child

would also like to know how your story ties into History, your moment of light. Bawa Louie enlightenment puzzles this child. One would think this happens while one is practicing for doing dhikr or meditation, but your Bawa was chastising himself. The weapon he held up, when he heard that sound, must have certainly been the name of God for his age. Is that correct? Was your realization like this too? Seemingly out of nowhere? Seeming like you had failed, only for it to finally be over, and finally beginning?

Bawa Louie these are the things your child has been afraid to ask, some for a long time, and some more recently, but your children must be courageous, and so your child must ask.

My love you.

Bawa. So "My Very Precious Paul And Fatimah" (Ral.) of "My Life" In Truth “What” Is “Your True Problem” of “Your Life”, And In Truth “Your Only True Problem” of “Your Life”, and that is for sure. Amen.

||

“Your Only True Problem” of “Your Life”,

||

Bawa. For In Truth “Your Only True Problem” of “Your Life” IS “Your Lack of Faith” In “Your One True God” of “Your Life”,

Nothing More, And Nothing Less Than “This”, and that is for sure. Ok?

Bawa. So “Who” Wrote “Your Last Two Love Letters” To “Your Very Precious Louie” (Ral.) of “Your Life”?

Bawa. In Truth Exclusively “Your Monkey Mind” And “Your Dog of Desire” of “Your Life”, Wrote “Your Last Two Love Letters” To “Your Very Precious Louie” (Ral.) of “Your Life”, and that is for sure. Amen.

Bawa. Most Certainly “NOT” In Truth Exclusively “Your True Wisdom” of “Your Life” Who In Truth Is “Still Exclusively Sleeping” Surrounding “Your Soul” of “Your Life” Just Waiting For “Your Divine Kiss” of “Your Prince” of “Your Peace” of “Your Life”, Just Waiting For “Your Divine Kiss” of “Your Very Precious Louie” (Ral.) of “Your Life”, and that is for sure. Amen.

Bawa. But “Your Life” Keeps Eating “Your Poisonous Fruits” of “Your Life” That Keep “Your Life” Mesmerized By “Your Current Blood Family” of “Your Life”, By “Your Current Race, Religion, and Blood Ties” of “Your Life”, and that is for sure. Amen.

Bawa. Amen.

II

I give you my love, My children, My brothers and sisters, My sons and daughters.

Yesterday we visited the city of the world and watched a huge, demonic beast destroy the city (of “Your Illusory Heart”), terrorize the people (of “Your Illusory Heart”), and kill and gobble up whomever it could catch.

We saw some people hiding in fear, and others trying to run away. Then we saw the beast burning in the fire of its own hell (Blinded By “Your Light” of “Your Soul” of “Your Life”, By In Truth “Your Very Precious Louie” (Ral.) of “Your Life”)

My children, you witnessed the suffering that the beast experienced in that hell, didn't you?

Both the fire and the beast are the four hundred trillion, ten thousand qualities of maya, or illusion, that burn within man (Within “Your Illusory Heart” of “Your Life”)

Like that demonic beast, man is burned by every bad quality and every evil thought or intention He has.

The flames of his own thoughts consume him, as he marks time, awaiting the sun or the moon, counting the days and months and years.

He is burning in the very time that he so carefully records.

This is what is called the world.

II

The huge mountain which towers over the city of the world is the hard rock of man's heart, the mountain of stubbornness, arrogance, karma, and all the evil qualities that he has gathered and nurtured within himself.

This hard rock grew out of the five elements of earth, fire, water, air, and ether (of "Your Life"), which are always operating within the form of man (As NOW "Your Illusory Ocean" of "Your Mind" of "Your Life", As NOW "Your Hard Rock" of "Your Heart" of "Your Life")

"Your time is up.

***"Your rizq, the food and water allotted to you in this world,
has come to an end."***

It was death calling.

Children, there is only one path that will lead us upward, and it is so narrow that only one person can walk along it at a time.

You must come within me, and together we will go upward, holding onto the chain of faith, certitude, and determination (Holding Onto “Your Iman-Islam” of “Your Life”, of “Your Life” of “Your Very Precious Louie” (Ral.) of “Your Life”, and that is for sure. Amen)

This chain of iman comes from inside my heart.

Hold on to it firmly, strengthen your faith, and climb with me up the mountain.

This is how you must ascend the innermost heart of the qalb (As NOW “Your Divine Heart” of “Your Very Precious Louie” (Ral.) of “Your Life”, and that is for sure. Amen)

II

06. “Your First Stop” Is “Your Zamzam Well” of “Your Life”, Is “Your Opened Eye of Wisdom” (Your Kursi) of “Your Life” On “Your Forehead” of “Your Life”

II

From Here

|

“You Can See”

|

“Your Current Earth World” of “Your Life”

II

As In Truth

“Your 18,000 Universes” of “Your Life”

“Your Ignorance” of “Yourself” As “Such”
I

II

In

“Your Ignorance” of “Yourself” As “Such”

II

But NOW AS
I
“Your Hard Rocky Mountain” of “Your Life”
of
“Your Illusory Heart” of “Your Life”
of
“Your God” of “Your Life”

II

Look, we have come to the Zamzam well. From here we have to travel through another narrow passageway. Now we are at the level of the kursi, the eye of wisdom.

Stand here and look down at the city (of “Your Illusory Hard Rocky Heart” of “Your Life”).

What you see is the world (of “Your Current Life” of “Your Life”, As NOW “Your Illusory Hard Rocky Heart” of “Your Life”).

Come, stay awhile and observe all that is there.

II

07. “Your Second Stop” Is “Your ‘Arsh” On “Your Top” of “Your Head” of “Your Life”, Is “Your Throne” of “Your Allah” of “Your Life”.

“Your Wonderful Fragrance” of “Your Life”

||

Emitted By

|

“Your Sandalwood Trees” of “Your Life”

||

And By

|

“Your Other Incense Trees” of “Your Life”

||

Now we must climb back down through this passageway and continue our journey.

From this point on we have to travel by air.

There are two air currents, one that goes up and one that goes down.

If we follow the downward current, it will push us down, so we have to be careful to catch the upward current.

Now fly with me and ride this current to the top of the mountain.

Come, my children. Come to the 'arsh, to the throne of Allah.

Standing here, you can look all around and see thousands of trees covering the mountainside. Do you smell the wonderful fragrance emitted by the sandalwood trees and other incense trees?

And look at the beautiful lime trees, and the orange, apple and jack fruit trees, all heavily laden with fruits.

||

From Here

“You Can Also See”

||

AS

“Your Thousands”

of

“Your Beautiful Incense Trees” of “Your Life”

of

“Your God” of “Your Life”

II

Now look down at the animal we saw earlier gazing on the mountainside. They cannot appreciate the beautiful fruits that grow there.

Do you see how they take one bite, then throw them aside and trample on them?

It is true that their outer forms are those of human beings, but inside they have changed (Into “Your Inner Animals” of “Your Life”)

This can be clearly seen and understood when you observe them from the top of this mountain (of “Your Mind” of “Your Life”)

II

**08. “Your Third Stop” Is “Your Open Space” Beyond
“Your ‘Arsh” On “Your Top” of “Your Head” of “Your
Life”, Hidden Within “Your ‘Arsh”, Hidden Within “Your
Throne” of “Your Allah” of “Your Life”.**

**“Your First Heaven” of “Your Life”
of
“Your God” of “Your Life”**

II

**Now, my children, from here let us go out into the space
beyond.**

Do you see any human beings here?

No, there is nothing but a beautiful, green wide-open space.

Ah, it is so lovely.

**There are four kinds of cooling breezes blowing here,
carrying with them the sweet fragrance of flowers.**

This air, which arises from “God” and “The Truth”, blows freely and is so very cooling and comforting.

We have come to “The First Heaven” (of “Your Life”, of “Your God” of “Your Life”).

II

09. “Your Fourth Stop” Is “Your Shining Square of Green” Also Beyond “Your ‘Arsh” On “Your Top” of “Your Head” of “Your Life”, Hidden Within “Your ‘Arsh”, Hidden Within “Your Throne” of “Your Allah” of “Your Life”, Within “Your First Heaven” of “Your Life”.

II

From Where

II

“Your Call” of “Your Death”

I

“Your Call” of “Your Rabb” of “Your Life”

of

“Your God” of “Your Life”

II

CAME.

II

Lets move on now.

Look, do you see that smooth, shining square of green?

It glistens like a brilliant gem.

This is where that call was coming from.

Listen! The voice is calling once more.

“O Men,”

It says,

II

"Creations of God!

According to your destiny, the food and water that was kept on earth for you has now come to an end. Come!"

||

Look down again at the city. Although only one call went out from here, forty thousand people are racing frantically up the mountain in answer to it.

Once again, relatives and friends are running to the foot of the mountain, clutching at those who were called, trying in vain to hold them back.

Listen to them weeping and crying out.

||

"Come back, my son!

|

Oh, my father, don't go.

|

Mother! Don't leave us!

I
Oh, wait my brother!
I
My sister! Stay!"

||

In so many ways they are trying to hold back those who were called. But nothing can stop them.

Look how they push the others away and come running, with their hair disheveled. As soon as the call is sounded, all of them dash up the mountainside and rush wildly toward this green square.

It is only twelve feet by twelve feet, but it swallows up all forty thousand of them. The moment they step onto it, they disappear.

They came to this world, and now they must leave it.

All who are born will one day die.

||

**09-a. “Your Wisdom Point 01” Is “You Must Learn” HOW
TO CUT “Your Connect” To “Your Death” of “Your Life”**

||

**Realizing That

“YOUR TWO THINGS” of “Your Life”**

“YOUR Body” of “Your Life”**

|**

“Your God’s Treasure” And “Your Karma” of “Your Life”

I
**“Your Kingdom of God” And “Your Fistful of Earth”
of
“Your Life”**

II

My children, we must learn how to cut our connection to death.

Two things exist in this body. They are light and earth.

The light belongs to the soul. It is God's treasure.

The earth belongs to the body; that is karma.

What is known as “The World” was made out of “One Fistful” of “Earth” (As NOW “Your Illusory Ocean” of “Your Mind”, of “Your God” of “Your Life”)

All creations belong to the earth and will one day be called back and returned to the earth (And IF “Your Life”, Not “You”, Which Simply “Ends” In “Your Grave”, Becomes “One With”, Becomes Connected (Attached) To “Your Earth” of “Your

Life”, Connected (Attached) To “Your Creations” of “Your Earth” of “Your Life”, Connected (Attached) To “Your Body” of “Your Life”, Then “YOUR LIFE TOO” Will Be “CALLED BACK TO” And “RETURNED TO” In Truth “YOUR EARTH” of “Your Life”, of “Your God” of “Your Life”, In Truth As “Your Death” of “Your Life”, of “Your God” of “Your Life”, and that is for sure. Amen)

II

09-b. “Your Wisdom Point 02” Is “You Must Learn” HOW TO CUT “Your Connect” To “Your Call” of “Your Death” of “Your Life”

II

**Realizing That

“Your Call” of “Your Death” of “Your Life”**

“OUR EARTH” of “Our Life”

This call will not come for us if we return what we owe during our lifetime.

But if we keep within us the things of the world, then we will be called to return them.

Look how the people come running when they are called.

09-c. “Your Wisdom Point 03” Is “You Must Learn” HOW TO “Die” To “Your Death” Before “Your Call” of “Your Death” of “Your Life” COMES To “Your Life” From “Your Rabb” of “Your Life”

If you have treachery, treachery will pull you.

If you have fire, fire will pull you.

Now my children, let's go in a different direction.

Look, a man is seated under the tree over there. His face is so beautiful, more radiant than the full moon, and lovelier than a lotus flower.

The resplendence of His face fills the whole world.

On His head He wears a crown inlaid with 124,000 gems. His face, hands, and feet, and clothes are all so exquisite.

Let us go closer. His hands are outstretched, and He is calling to us. Listen, can you hear what He is saying,

"O slaves of God, my children, God created you. He has undiminishing love for you. He has given you food and limitless wealth and grace."

"My children, at one time I was earth, and God took that earth and made it into a form. When I understood Him and praised Him, He made Me beautiful and gave Me this station."

"First, Allah created Me, and then through Me He created all of you. Everything that appears from Me came out as forms, as shapes, and as lives."

"Then He sent the 124,000 prophets, the olis, who have realized absolute faith (iman), the qutbs, who can explain divine analytic wisdom, the uliya, who are the favorites of God, and the gnans, who have grace-awakened wisdom."

"They were all sent here as children who had received Allah's wealth."

And God made "The Joy" of "These Children" into "A Crown" and gave it to me.

"Do you see the crown I am wearing?"

"My children, give me "Your Joy", and "The Goodness" you have found.

Turn it into "A Permanent Wealth" and come to me.

Do not waste "This Fistful of Earth" that was given to you.

Do not destroy "Your Birth".

"Search For" and "Realize Fulfillment"

"Your Father, Allah, "Your Rahman", is watching you."

"He has entrusted you with "His Property" ("The Light Form" of "Your Nur Muhammad"), and you must "Return to Him" all that "He Gave To You" (To "Your Life", of "Your God" of "Your Life")

"Return "The Wealth" and "The Truth" that came "From Him", return "His Good Qualities", and return "His Duties and Actions, His wilayats".

"In "The (LIGHT) Form" of "Nur Muhammad", God has given these to you as "Trusted Property", as "The Wealth of Grace", "The Wealth" of "The Soul", "The Wealth of Truth", and "The Wealth of Divine Knowledge", of 'ilm."

"If you return "This Trust (PROPERTY)" To Him in "Its Original Form" (AS "HIS TRUTH AND LIGHT) without "Destroying IT" or "Spoiling IT", He will give you "His Wealth", just as "He Gave IT" to me.

You too must know this (BECOME THIS)

"Do not waste that which was given to you."

||

"This is my prayer,

'O God, save my children! Do not let them go on the wrong path. Bring them back to the good path, as You brought me back."

||

My children, do you know who this being is?

He is our original Father, Adam (may the blessings of God be upon Him).

He is Bawa Adam (A.S.).

||

God took one fistful of earth and made it into a human form, and gave it a radiance (AS “Your Light Form” of “Your Nur Muhammad”).

**Life”, of “Your God” of “Your Life”, and that is for sure.
Amen)**

||

Come, my children, let's go closer to Him. He is speaking again,

"Have all of you come to me?"

"Precious jeweled lights of my eyes, “Your Joy” and “Your Wealth” (“Your Bliss”) have become “My Joy” and “My Wealth” (“My Bliss”)

“They belong to me.”

"And you yourselves have come here to meet me."

||

Now wait for a moment, my children. Adam (A.S.) is speaking to me.

"O my son, come to me. And just as you have come, bring along your brothers and sisters.

"Tell them that they must return to Allah the property which He entrusted to them."

"Take my children on the right path, in the primal beginning, in this world, and in the hereafter, in awwal, dunya, and akhirah."

"Cut away whatever is bad in them and help them accept what is good (within them), so they will conduct themselves in that way."

"Help them to return the truth to Allah."

II

My children, did you hear what Adam (may the blessings of God be upon Him) told me?

Did you see how he kissed me and embraced me with love?

He praised me and told me many secrets of God.

||

Come closer, children, he is giving us his blessings, and his permission to go.

Let us go now.

We have to continue on our way and see some more.

My children, next we have to walk along this slope, were there are one thousand and one wells lined up in a long row.

Fires of suffering are blazing within the walls of these wells, and insects, worms, and snakes are crawling out of them.

Look! There are dead bodies on the ground all around the wells. How did they die? What killed them?

My children, these wells are the one thousand and one energies of illusion, filled with the poisons and sufferings of hell.

Do you know who these corpses are? They are the people who drank that poisoned water and died.

They boasted,

||

"My race, my religion, my philosophy",

||

And endlessly recited different mantras and prayers.

They practiced mesmerism, and performed magic and cunning tricks or tantras, and elemental miracles or siddhis.

They made gods out of the sun, moon, and stars; out of earth, fire, water, air, and ether; and out of rats, cats, horses, donkeys, lions, tigers, foxes, dogs, snakes, scorpions, eagles, and vultures.

They put their faith in these created things, and toiled for all these false gods of their own making.

They even made demons, ghosts, and satans into gods.

Instead of worshipping God, they worshipped His creations.

||

Understand this, my grandchildren.

There is no God other than the One God.

There is no equal or parallel to Him.

Never put faith in anything but Allah.

Every one of these dead people produced his own energy, and believed in it, devoted his time to it, and died from that very energy.

That was what they searched for in this world, and that was the state they lived in (and died in).

My children, you and those born with you must not partake of even one drop from these wells. Such water is not good for a human being. It comes from the wickedness of hell, and those who drink it die.

Of their own free will they drink that poisonous water which oozes out of the seven hell, and then they perish in illusion.

Look the earth will not consume these corpses. Not even the demons will eat them. Only the worms and scorpions and snakes that are crawling out of the wells will devour that flesh.

And now the fire has also come to consume them. They are burning in the very flames they started, perishing in the energy of the maya arising from the wells. Can you smell the foul odor of the burning bodies?

Even when these people were alive, they had an evil stench about them, that came from eating the murdered things of karma and drinking the poison of the thousand and one wells.

They were diseased from this poison when they were alive, and even now in death it is following them, and causing them great suffering. Their actions are all being engulfed in the fire (of hell).

My children, you must realize that no matter how long a man lives, one day he has to go, and he will go either to the right or the wrong side, to good or to evil.

His good deeds will bring merit, but his evil deeds will bring him to hell. Whoever keeps the things of hell within him while he is in the world, he will know the suffering of hell, and in the hereafter, he will suffer from illusion and from his base desires, or nafs.

Such a man will have no peace or tranquility, here or in the hereafter.

However, even though some people experience illness, difficulties, and the suffering of hell while they are in the world, they have the determination to search for the help of that One and only Great One.

During their lifetime they try to rid themselves of evil. And with God's help they are cured of many of these illnesses and sorrows. They are the ones who will find peace in the hereafter.

Other people may appear to be happy in the world, but inside they are burning in the fire of hell. They may smile on the outside, but on the inside they are suffering and crying.

They dress well and say that they are enjoying life, but inside they are filled with worry and sorrow. Even though they appear to be peaceful, a terrible disease is tormenting and killing them. Not even for a second do they find any peace.

There is no peace for a man who has the world within him, whether he is a king or a beggar, a rich man or a poor man,

learned or unlearned. Even the poets and those who call themselves swamis and wise men, or gnanis, have no peace, if they have kept the world within them.

For such men, there is no comfort either in this world or in the hereafter, because “They Carry Over With Them” what “They Have Gathered Here”.

In the world they are lured by the advertisements of hell, and in the hereafter they suffer from the results of that hell.

||

But the one who does not accept the world

|

will have joy in the hereafter.

|

We must understand this clearly.

My children, let us travel still further on our journey.

Oh, look at that shining crystal!

Do you see the many different colors emanating from it?

And within it is a small amount of water, in which you can see fish and crabs and other beings.

Look intently at the beauty of this water. It is not at all like the water in the wells (we just saw). Do you see the resplendent light coming from it? It is even brighter than the sun.

The water in this crystal has seventy thousand different tastes. If you can drink just one drop, your whole form will change into a form of beauty.

My children, gaze into this water.

Look! The fish and crabs have become like precious gems, like gold and shining emeralds. Do you see those tiny insects? They too look incredibly beautiful.

Whatever falls into this water keeps changing and changing until it becomes a form of great loveliness. How subtle this water is! Within it you can see the resplendence of God and the beauty of each of His qualities.

My children, Allah's greetings of peace and supplications, His salams and salawats, resonate there in that water of divine knowledge.

There you will find His representatives, His prophets, His olis, qutbs, auliya, and all those who know Him.

Whoever falls into this water of divine knowledge ('ilm) will keep changing, until the taste of Allah is within him and he becomes the beauty of Allah.

Do you understand what this shining crystal is, my children?

It is the innermost heart of a true human being.

Hidden within that heart is a secret place, and within that place is a tiny piece of flesh which is the throne of the true believer (mu'mim), the arshul-mu'mim.

That small piece of flesh cannot be destroyed by anything. Neither earth, nor fire, nor water, nor air, nor ether; neither maya, satan, hell, nor the world can touch it or destroy it.

On the Day of Questioning when man is called back, at the time of Qiyamah, this is what will be raised up, this piece of flesh which never perishes.

This is the ka'bah, the place within the heart to which each man must make his pilgrimage, or hajj.

He must enter within this piece of flesh to receive the wealth of “The Three Worlds” (of “Your Life”, of “Your God” of “Your Life”, As “Your Wealth” of “Your Awwal, Dunya, and Akhirah” of “Your Life”, of “Your God” of “Your Life”, As “Your Wealth” of “Your Triple Flame” of “Your Life”, of “Your God” of “Your Life”, As “Your Wealth” of “Your Allah, Your Rasul, Your Muhayyaddeen” of “Your Life”, of “Your God” of “Your Life”).

There within that piece of flesh he will find light, and within that light is the soul, the ruh.

Within that soul is the wealth and grace of Allah, His Rahmat.

And within that grace is Allah's power and His qualities.

Flowing forth from those qualities and from that innermost heart, known as Ahmad, is the water of divine knowledge ('ilm), and Allah's ninety-nine duties and actions, His wilayats.

When the heart of a true human being has reached the state of perfection, you will find within that heart a most exquisite beauty and seventy thousand different tastes.

My children, so that we might understand all this, God has shown us the place of the Shining Crystal. Look at the small creatures that have fallen into the water and been transformed. How beautiful even they have become!

But they are only animals, and you are a human being. If you fall into this water of divine knowledge ('ilm), how much more beautiful you will become.

||

God has said,

|

"Become like this."

||

If you do, you will know endless joy and grace.

|

You must understand this.

Look we have come to a huge, beautiful well make of shining marble. It is forty feet square and surrounding it are six beds.

Look, one of the beds is richly decorated and far more beautiful than the other five, and above it is spread out an exquisite canopy, providing cooling shade.

My children, there are many wonders concerning this bed. Not everyone can sit upon it. Only the one who has the necessary qualifications is entitled to rest here, where he will be sheltered and given an abundance of grace. If anyone else sits on this bed, he will be burned.

Come we must enter the well. You have to walk down five steps that lead into the water and then immerse yourself in it.

Now watch as I go into the well. From where you stand, you cannot see that three of the walls have something written on them. But you can only read what it says if you go under the water.

"O human beings, slaves of God, children of Adam (A.S.), come. You have arrived here as six people, but you must leave behind five of these people and come alone, for only one person can enter this well and bathe."

"If all six people try to enter, this water will turn into fire, and instead of bathing, you will be burned to ashes in the flames of the sufferings that you bring with you."

"Remember this and come alone. Tell those who came with you to sit on the other five beds. Only when you become one with Me can you bathe here."

"Now enter and receive My beauty, My light, and My grace. Once you have fallen into this water and emerged again, you will understand the secret and the grace of the beautiful canopy covering the sixth bed."

"Then you will know what happens here."

This is what is written beneath the water on the first wall of the well. Now look at the writing on the second wall.

"Come alone as one. Bathe and then sit on the sixth bed. There you will receive your rizq, the nourishment and sustenance from Allah."

"The food and honey and drink that comes for you will be a wondrous taste. It is the taste of My divine knowledge and grace. Once you know that taste you will know Me."

"Sit on this bed and read. Later the canopy will fold, and then you must leave this place and go beyond. You will

have to walk about five hundred miles until you come to a big ocean."

"Listen and I will tell you the secrets of this ocean."

The writing continues on the third wall:

"The first ocean is the ocean of silver. If you touch that water, you will change into a silver statue. But if you praise Me without touching it, a boat will come for you.

No one will be aboard that boat, but your food will be there. You must climb into that boat and it will carry you across the ocean of silver."

"Next you will come to the ocean of blood. Step carefully onto the shore, for if you touch that water, you are finished."

"All the beings in that red ocean have bloody forms. The snakes, the other creatures, and the water itself are all made of blood. The stench is so foul that you cannot bear it."

"If you touch even one drop of that water, you will become a clot of blood. But if you stand on the shore and pray to Me, a boat will come with your food and water. No one will be steering it, but climb aboard anyway and continue on your journey."

"Once you have crossed the ocean of blood, you will come to the black ocean, which is filled with pitch black darkness. You will not be able to see anything. Again, you must be very careful, for even if one drop of this water touches you, your whole form will darken, and you will become a statue of darkness."

"But if you stand there and pray to Me, once again a boat with no one aboard will come with food and water for you. You must climb into that boat and continue on your way."

"Next you will come to the blue ocean, where everything is poison. Poisonous blue snakes and scorpions and all sorts of evil creatures will crowd around you from all four sides."

"But if you pray to Me and do not touch the blue water, then another boat will come carrying bread and a pitcher of

water for you. Climb into that boat and cross the blue ocean."

"Then you will come to the ocean of gold. Wherever you look, everything will be gold. Do not touch a single drop of that water, for if it touches any part of you, your whole body will be turned into a statue of gold!"

"Stand on the shore until another boat comes for you, carrying your food and water."

"Finally, once you have crossed that ocean of gold, you will come to a wide-open space filled with nine kinds of precious gems."

All this was written on three of the marble walls of the well.

My children, to proceed on this journey, you must go alone. Before I could enter the well to bathe and to read what was on the walls, I had to leave behind the five that I came with.

After that, I sat on the bed in the shade of the canopy, waiting until the food and water from God and the fruits of the heavens came to me.

Now, my children, you must discover for yourself the wondrous flavor of this food. Come, taste it. Do you see how delicious it is? This is the food of Allah's qualities, and His divine knowledge ('ilm) and the wealth of His daulat. You must understand this.

I give you my love, my children. On this journey, sometimes you will have to walk, sometimes you will have to fly, and there will be times you will come to places you cannot cross without entering within the Shaikh.

At those times you must enter his wisdom and go as one, uniting with the one of wisdom, good qualities, and 'ilm. Leave behind everything in this world and enter the Shaikh. Enter his soul as soul. Join his wisdom as wisdom. Acquire his qualities and mingle with them.

You and he must act as one. Only in this way can you cross these oceans and travel on the journey of your soul, the journey from the world to your Father's house.

Children, you came from your Father to the world, and from that world you must return to Him. When you came, you came in the form of an atom, and when you go, you must go in the same form.

It is necessary for you to understand this and return to your original state, for as long as you do not establish this state, you cannot complete the journey of your soul.

My love you, my children.

Come, let us leave this well and go beyond to the oceans we read about on the wall.

Let us cross the five hundred miles to the ocean of silver.
