## INTRODUCTION

II

Louie May the peace of Allah be upon you and may He raise your station.

Louie I previously sent an email, but I'm not sure you received it. Please let me know you've received this.

My wife AYSIA NOT AZSIA, has made a new email address like I have, exclusively for your emails.

[AysiaNoel1125@outlook.com](mailto:AysiaNoel1125@outlook.com) is her new email address. She hasn't seen 121 or 124 yet, please send those to her, along with the instructions you sent me.

Louie I asked about the new instruction with the wisdom points on the 7th.

Perhaps I missed your reply. I said

II

“Louie Wisdom Point 01”.

II

*"In Truth There Is Only One God, One Prayer, One Family, And There Is Really Only One Life, Only One Soul, Which Is The Life of God Within Each of Us, Within All of Creation."*

II

“Your Question 01”.

II

**Louie Bawa Louie I'm not sure**  
**|**  
**if you wanted me to personally summarize,**  
**|**  
**or find a summary within the pages.**  
**|**  
**Here is one I found in the pages.**

**||**

**“Louie Summary 01”.**

**||**

**For as Bawa teaches us,**

**"What separates you from God is what separates you from each other, and what separates you from each other is what separates you from God".**

**"So if you want to see what is separating you from God look at your brother and sister and see what is separating you from them. That is what is separating you from God.**

**That is what must be removed, by understanding it, if you are every to see God again."**

**Bawa teaches us that if we believe that we exist separate from God, we do not really believe that God exists. It is only when we firmly believe and realize, without any doubt, that we do not exist separate from God, that we and God in some way are really one, that we really believe that God exists.**

**Bawa tells us that, within our own life, either we are there or God is there, that when we are there, God is not there. And it is only when we are not there, that God is there.**

**It is only when we truly realize that we are not alone, that God is there, that God is truly there, alone. When we think that we are alone then God is not there, because we have placed God separate from ourselves, we have become two, and because God is one, He is not there. And because we have become two, we are there.**

**It is only when we realize that "we" and God are in truth One, that we are One, and since God is One, then He alone is there,**

and when He is there, He is alone, and we as "One with" Him will be within Him.

This is the truth my loving brother. May we both reflect on these wisdom points a little. It is very, very important. Amen.

II

**Louie May the peace of Allah be upon you and may He raise your station.**

**Louie Bawa Louie I just received your letter in my new email address. Thank you**

**Louie I have purchased Golden Words and sent it to Aysia as well.**

Louie I have finally gotten past the problem, and fear of, trying to, and always having to coordinate my breath with the kalimahs. My life just says them in order now regardless of if what my breath is doing. I haven't done any physical exercises yet, or any prolonged chi kung exercises, when I do my life will continue saying them, as now One, and all will be well.

I wanted to ask though is the third kalimah the only one that can be said in isolation, or can they be broken up? My life is not using them other than the way you mentioned them at the moment.

Louie Bawa Louie I had a lot of other questions about the kalimahs, but Alhamdulillah they were answered. God said to look harder at what was already said, and so my life did, and I had previously projected my own beliefs distorting things.

Louie Bawa Louie I do wonder though. The suriya kalai and chandra kalai Bawa, pbuh, gave. Were any of you actually instructed to do it? Did he tell some of you to

do it, but not as a "God practice" meaning something that will "cause enlightenment" for something that is not real due to the effort of something not real?

Also is what I have just stated the correct definition of a God practice?

**Facebook Note 06: From Paul Brown On 05-28-19**

**II**

**Louie My love you**

**Louie Bawa Louie may the peace of Allah be upon you and may He raise your station.**

**Louie Bawa Louie I came to an understanding a little while ago about the guru.**

**I have heard the message it is God that is doing your spiritual practices, not you, you can never cause enlightenment to happen by doing these techniques**

they are to move you out of your way for what already exists, and you are none other than Him, so do not accept anything less, but until you it did not stick. I cannot say why.

It's a clear enough concept, but you place an emphasis on it, and I'm not saying others do not, but I wasn't able to see the way they did it. It was like that portion was the background, and the techniques seemed more important, but in reality it's the opposite.

The mindset is the most important part.

Louie Bawa I now know this is why I had to come to you.

Thanks for your patience. My love you.
