“Your Beginning”
of
“Your Brief Extract”
From
“Peace Without”
By
By David McNicholas

The “Peace Without Emitter” is a non-biological device that interacts with human biology, and of course it effects human physiology and thus the psychological state. That is the point. As the accompanying literature states:

As each of us feels an emotion we send out certain signals, emit certain specific organic substances into the air. We each have our own signatures, but generally anxiety releases certain compounds, calm releases others. Fear and hostility are associated with their own compounds. Joy, elation, with others.

The emitter, after calibration to a specific small group of people frequenting a location, will receive these human

released compounds, analyze them, and construct a group of compounds it then emits in an attempt at bringing balance.

The emissions are for the purpose of bringing calm to a specific small group of people. It will lower the levels of anxiety between them by helping to bring a sense of calm to each individual. This is an ATTEMPT at creating an environment where a small group can address problems of communication between themselves. It is meant to lower the intensity of any sense of conflict that may be present. The emitter is meant to help create a safe place for a specific group of people, to which it has been calibrated, to begin a process of inter-relational healing, or to encourage the maintenance of an existing, higher level, well-functioning within this group.

At no point is the emitter intended to replace a professional therapeutic experience. At no point can it be used in itself as a healing device. It is intended only to lower the level of anxiety between members of a specific group that is has been calibrated to. In this atmosphere they can work towards whatever goals they choose, on their own.

**Everything Is Really One
Within
Your Life
of
Your God of Your Life**

II

01. First, In Truth “Everything” Is Really “One” Within “Your Life” of “Your God” of “Your Life”, As NOW Your Very

Precious Louie” (Ral.) of ***“Your Life”***, So What ***“Your Very Precious David”*** (Ral.) of ***“Your Life”*** Wrote About As “Your Peaceful Outside” of “Your Life” Through "Your Imaginary External Device" Called "Your “Peace Without Emitter” (See Excerpt Description Above), And Then What ***“Your Very Precious Louie”*** (Ral.) of ***“Your Life”*** Wrote About As “Your Peaceful Inside” of “Your Life” Through "Your One True Internal Device" Called "Your Purified Heart - Mind" of "Your One True Human Being" of "Your Life" In Truth Are Just “Your Two Reflections” of “Your Same Thing” of "Your Life", In Truth of “Your One God Thing” of "Your Life", and that is for sure. Amen.

Bawa. And “Your One God Thing” of "Your Life" Are "Your Qualities" of "Your God" of "Your Life", All of Which In Truth Have Been Gradually Leaving "Your Earth World" of "Your Life" For "Your Last 200 Million Years" of "Your Life", Until NOW Exclusively Existing Within ***“Your Very Precious Louie”*** (Ral.) of ***“Your Life”***, and that is for sure. Amen.

Bawa. In Truth Gradually Leaving "Your Earth World" of "Your Life" Since "Your Adam" (A.S.) of "Your Life" In "Your Ignorance" of "Yourself" As "Such" Was Sent To "Your Earth World" of "Your Life" In Order To "Understand" In Truth "Your

Qualities" of "Your God" of "Your Life" So "Your Life" As NOW "Your Purified Heart - Mind" of "Your One True Human Being" of "Your Life" Will Never Ever "Loose Them Again", and that is for sure. Amen.

Bawa. And "THIS" Is "What" In Truth "*Your Very Precious David*" (Ral.) of "*Your Life*" Mysteriously Wrote About As "Your Peaceful Outside" of "Your Life" Through "Your Imaginary External Device" Called "Your Peace Without Emitter", All of Which In Truth "Was And Is" In Truth "Divinely Inspired" Exclusively By "Your God" of "Your Life", As NOW "*Your Very Precious Louie*" (Ral.) of "*Your Life*", and that is for sure. Bawa. In Truth As "*Your Direct Result*" of "*Your True Prayers*" By "*Your Very Precious Louie*" (Ral.) of "*Your Life*" Over "*Your Last Few Years*" of "*Your Life*" For "*Your Family And Friends*" of "*Your Very Precious David*" (Ral.) of "*Your Life*", and that is for sure. Amen.

Bawa. And In Truth, "*THIS*" Is NOW "*HIS True Life*", IF HE LIKES, As NOW "*Your Very Precious David*" (Ral.) of "*Your Life*", As NOW "*Your Very Precious Louie*" (Ral.) of "*Your Life*", And In Truth, "*THIS*" Is NOW "*YOUR True*

Life", IF YOU LIKE, As NOW "Your Very Precious LIFE"
(Ral.) of "Your Life", As NOW "Your Very Precious
Louie" (Ral.) of "Your Life", and that is for sure. Amen.

Bawa. Because In Truth NOW "THIS", And "Only THIS" Is
NOW Exclusively "Who WE ALL Really Are", In Truth As NOW
Exclusively "God Awakening" To "Yourself" As "Such", For
"Your Exclusive Universal Benefit" of "Your Creation"
of "Your God" of "Your Life", Not For Any of "Your Current
Personal Benefit" of "Your Current You and Yours" of
"Your Life" All of Which In Truth "Simply Ends" In
"Your Grave" of "Your Life", In Truth "Not Going Anywhere",
and that is for sure. Amen.

Bawa. In Truth With "Your Life" Becoming EITHER "God
ETERNALLY Awakening" To "Yourself" As "Such", For
"Your Exclusive ETERNAL Universal Benefit" of
"Your Creation" of "Your God" of "Your Life", and that is for
sure. Amen.

Bawa. OR In Truth With "Your Life" Becoming "God
ETERNALLY Falling Further Asleep" To "Yourself" As "Such",

**Fate rules me with a show of scenes.
What will my conscience do to me in the world?**

**It will give me fascination for desire for land.
It will make me obey the wicked.
It will distance me from my desire for women.
But it will give me the greater bliss of perfection.
Fate rules**

**It will give me the fascination for illusion like a fool.
It will make me wander around a region.
It will make me beg with a begging bowl.
But it will make me approach the feet of the virtuous Guru.**

Fate rules

It will make me play like a man with no purpose.

It will make me look and want the prostitute.

It will make me dispel all arrogance.

But it will make me know one of the five.

Fate rules

It will make me wander possessed of desires.

It will make me enter houses of low men.

It will make me join men with the desire for money.

But it will make me receive the exalted grace of Allah.

Fate rules

||

Such are the demons of attachments that frighten you as sixteen forms.

Here is a song to explain that which will make you die without dying, or that which will make your reform yourself, or that which will make you perish in the earth.

||

**It will make you know yourself and acquire meditation.
It will make you ageless and acquire the divine gift of
immortality.**

**It will make you search for wealth for the future.
But it will help you acquire the Ultimate that is the greater
bliss.
Fate rules**

**It will make you go to the golden city.
It will make you enter the evil hell.
It will make you the torpor on earth.
But it will help you control the breath of sun and moon.
Fate rules**

**It will make you search for greater happiness and escape.
It will make you jabber like a mad man.
It will make you the laughing stock of females.
But it will help you join the company of Gnaanis.
Fate rules**

**It will make you see the scenes and reach the shore.
It will make destiny show you the Angel of Death.**

**It will make you collect alms by deceitful means.
But it will give you the grace of the Ultimate One.
Fate rules**

**It will make you join the company of Siththars (those who
perform elemental miracles).
It will make you corroborate the words of thieves.
It will make you talk incoherently like an insane man.
But it will make you receive the Unspoken Divine Word.
Fate rules**

**It will make you enter breaking the lock.
It will make you enter the assembly of liars.
It will make you experience torpor eating like a cow.
But it will make you happy by ascending to the sky.
Fate rules**

**It will make you hear voices and move forward.
It will make you loiter and run around.
It will make you graze with the desire for prostitutes.
But it will help you lean against the sacred feet of the Exalted
One.
Fate rules**

**It will make you associate with the Silent One.
It will make you wander everywhere like a dog.
It will make you acquire wealth running around the cities.
But it will help you to join again the Primal Wealthy One.
Fate rules**

**It will make you drink milk and whatever is seen.
It will make you drink liquor pretending it to be milk.
It will make you play about in the four and five openings.
But it will help you receive the Sacred Grace of the Leader.
Fate rules**

**It will make you join the One without differences of race.
It will make you take a begging bowl and beg.
It will make you wander along the streets.
But it will make you play in the House
of Vedantha (Scriptures).
Fate rules**

**It will make you vibrate seeing the Primal One.
It will make you wander like a foolish man.
It will make you a donkey ridden by Moothevi (goddess of
misfortune).
But it will help you reach the path of spiritual maturity.**

Fate rules

**It will make you stay away from meditation.
It will make you wander with a restless heart.
It will make you self-destructive like a dead tree.
But it will benefit you showing you the path.
Fate rules**

**It will make your consciousness steadfast.
It will make you abandon Me as fruit beyond reach.
It will make you wander searching for pure gold.
But it will help you to get God's Sacred Grace.
Fate rules**

**It will make you control the two breaths.
It will make you suffer due to old age.
It will make you play at the house of the prostitute.
But it will make you rich in realization of true Gnaanam.
Fate rules**

**It will make you see the abode of resplendent golden Light.
It will make you kiss and move with women.
It will make you perish like the worm in cowdung.
But it will make you lean towards the feet of the true Guru.**

Fate rules

It will make you distinguish between night and day.

It will make false wisdom enter you.

It will make you submit to your recorded fate.

But it will make Allah's Grace to reach you.

Fate rules

It will make you approach the Primordial Feet.

It will make you speak with arrogance.

It will make you wander begging in the streets.

But it will open the House of True Wisdom to you.

Fate rules

It will show you scenes and guide you ashore.

It will make you agitated by hypocrisy.

It will make you reside at houses of prostitutes.

But it will help you to be born in the status of a Mother.

Fate rules

It will make you approach the foot of your Father.

It will make you perform the noble dance dramas.

It will make you talk incoherently with false wisdom.

But it will enrapture you with the flower and its fragrance.

After a man is born,

it is not so.

“Your Life”

“Your Life” Is Controlled By “Your Fate”.

Your Life”
is
“Your Victory”
of

“Your Wisdom” Reasoning Over “Your Fate”.

||

Bawa. But “My Dearest Loving Children” of “My Life” In Truth “JUST WHAT” Does All “This” Really Mean?

Bawa. Lets Look At “THIS” A Little Bit Together, **Ok?**

||

Bawa. First “Everything” That Comes To “Your Life” From “That First Point” of “Your Birth” of “Your Life” Until “Your Final Point” of “Your Death” of “Your Life” Is “Your Fate” of “Your Life”, and that is for sure. Amen.

Bawa. But There Is “JUST ONE THING”, And “ONLY ONE THING”, That Is NOT Determined By “Your Fate” of “Your Life” And “THAT IS” Who “You Do Your Fate” With, EITHER With “Your Mind And Desires” of “Your Life” OR WITH “Your God” of “Your Life”, and that is for sure. Amen.

Bawa. And In Truth “My Dearest Loving Children” of “My Life” In Truth Who “You Do Your Fate” With, EITHER With “Your

Mind And Desires” of “Your Life” OR WITH “Your God” of “Your Life”, Exclusively Determines In Truth “Your Final Outcome” of “Your Life” In “Your Current Earth Word” of “Your Life”, Exclusively Determines In Truth “Your Next Eternal Role” For “Your Life” In “Your Next Divine World” of “Your Life”, EITHER AS “Your God” of “Your Life” OR AS “Your Beast - Satan” of “Your Life”, of “Your God” of “Your Life”, and that is for sure. Amen.

Bawa. AS EITHER In Truth “Your Destiny” of “Your Soul” of “Your Life”, of “Your God” of “Your Life”, OR AS “Your Fate” of “Your Body” of “Your Life”, of “Your Beast - Satan” of “Your Life”, of “Your God” of “Your Life”, and that is for sure. Amen.

Bawa. So “My Dearest Loving Children” of “My Life” In Truth “Your Life” Must Always Greet “Your Fate” of “Your Life” That Is “Continuously Coming” To “Your Life” From “That First Point” of “Your Birth” of “Your Life” Until “Your Final Point” of “Your Death” of “Your Life” With “Your Exclusive Praise” of “Your God” of “Your Life”, And “Your Exclusive Trust” In “Your God” of “Your Life”, and that is for sure. Amen.

||

Exclusively Saying

|

“Al-hamdu lillah”

“Tawakkul Allah”. Amen.

||

Bawa. And “My Dearest Loving Children” of “My Life” In Truth IF YOU DO Then “Your Fate” of “Your Life”, of “Your Body” of “Your Life”, of “Your God” of “Your Life”, Naturally Become “Your Destiny” of “Your Soul” of “Your Life”, of “Your God” of “Your Life”, and that is for sure. Amen.

Bawa. And Who “You Have Done” In Truth “Your Fate” With Has Not Been Exclusively With “Your Mind And Desires” of “Your Life”, But Rather Who “You Have Done” In Truth “Your Fate” With Has Been Exclusively With “Your God” of “Your Life”, and that is for sure. Amen.

Bawa. And “My Dearest Loving Children” of “My Life” In Truth IF YOU DON'T Then “Your Fate” of “Your Life”, of “Your Body” of “Your Life”, of “Your God” of “Your Life”, Remains

“Your Fate” of “Your Life”, of “Your Body” of “Your Life”, of “Your God” of “Your Life”, and that is for sure. Amen.

Bawa. And Who “You Have Done” In Truth “Your Fate” With Has Been Exclusively With “Your Mind And Desires” of “Your Life”, And Who “You Have NOT Done” In Truth “Your Fate” With Has Been Exclusively With “Your God” of “Your Life”, and that is for sure. Amen.

Bawa. All of Which Exclusively Determines In Truth “Your Final Outcome” of “Your Life” In “Your Current Earth Word” of “Your Life”, Exclusively Determines In Truth “Your Next Eternal Role” For “Your Life” In “Your Next Divine World” of “Your Life”, EITHER AS “Your God” of “Your Life” OR AS “Your Beast - Satan” of “Your Life”, of “Your God” of “Your Life”, and that is for sure. Amen.

Bawa. And “My Dearest Loving Children” of “My Life” In Truth IF Who “You Have Done” In Truth “Your Fate” With Has Been Exclusively With “Your Mind And Desires” of “Your Life”, Then “Your Final Outcome” of “Your Life” In “Your Current Earth Word” of “Your Life” Is “Your Temporary Partnership” With “Your Beast - Satan” of “Your Life”, of “Your God” of “Your Life” HERE, AND AS Eternally “Your

Disciple:

Swami, Master Guru, teach me in detail about the four kinds of woman.

There is a great desire ceaselessly springing forth in me to marry one of these woman.

Guru:

O dear son, what is referred to as the four religions are divided into several races and religions. Race denotes an evil character. Religion is arrogance. These two have divided themselves into four faiths. They appear as four woman.

The first is Manaiyal (the one who looks after the home).

The second is Manaiyaddi (the one who shakes up the home).

The third is Thadiyaddi (the one who causes the stick to be brandished).

The fourth is Thandaddi (the one who causes the club to be brandished).

Disciple:

O Guru Swami, which is these is good?

01. “Your First Type of Wife” - “Your Earth Sign”

Guru:

Listen. I shall tell you. You ask me which is good and which is evil.

Earth, Fire, Air, and Water intermingled to form the shape of a ball. The earth is the first sign, Manaiyal (the one who looks after the home). She has the characteristics of the earth. She is the best among these four types of woman.

Disciple:

What are her actions?

Guru:

Dear son, listen to her work.

**Forgetful of the world,
Absorbing the truth within her,
Discerning clearly good from evil,
Always on the good path.**

**Singing without words,
The praise of the unsearchable thing,
Tasting the clear unquenchable nectar,
Unhesitatingly absorbing (it) within her heart.**

**Making compassion her home each day,
Keeping noble deeds as her life,
Lighting the lamp of chastity,
Performing many a duty.**

**Fixing up untold images with clarity,
Accepting the Guru and his grace as divine,
Placing her body, wealth, and life
As a slave at the feet of her husband.**

Conscious of her three duties,

**Of noble deeds, wealth, and offer of bliss,
She shines praising her husband's feet.**

O dear son, her actions, just as the earth, are full of patience and peace. She accepts those who praise and those who abuse, displaying her tolerance to all living things with virtuous conduct.

Like the earth, she tolerates those who excrete and those who urinate on it, both men and cattle. She observes the peculiarities of their bodies, their bodily features and signs and endures them.

She is Manaiyal (the one who looks after the home). She does not allow her heart to meander here and there. She protects her chastity and casts her stary modest eyes at the feet of her husband, wishing that no harm should befall him - her deity.

She prays with a melting heart and always seeks protection for him. She is Manaiyal, possessing the character of the earth. She destroys maya, banishes her mental desires, and establishes compassionate kindness.

She goes to bed late and rises earlier. She bathes, polishes the floor, washes her body, and purifies her heart. She destroys deceit. She opens her eyes and rubs them on the feet of her husband.

She stands with folded arms and lights the lamp of chastity. She gets her husband to open his eyes in that light.

She is the first type of wife, my son. Did you listen, my son, gem of my eyes?

02. “Your Second Type of Wife” - “Your Fire Sign”

The second type of wife is Manaiyaddi (the one who shakes up the home).

She is the sign of fire and is evil- characterized. She cannot discriminate between right and wrong. She has no awareness of excreta and urine.

She burns each and everything within sight and reduces them into ash. She melts the rock, burns intelligence, breaks the mind, agitates the heart, burns character, brings turmoil

into the family, tortures the analytical wisdom, and torches the earth.

She makes it appear as truth all the ideas that enter into her mind, whether true or false. Full of self-aggrandizement, she questions covertly,

"Who is better than I?"

This is the type of wife of the fire sign called Manaiyaddi. She behaves in various other ways to hurt the feelings of her husband. She torments him and eventually destroys him. She has yet more characteristics.

It is this type of many characterized wife who is called Manaiyaddi. Do you here my dear disciple, gem of my eyes?

03. “Your THIRD Type of Wife” - “Your Air Sign”

The third type of wife is Thadiyaddi (the one who causes the stick to be brandished).

She has the character of the air. She flies like the wind.

She winks the eyes, enters all possible places, ruins the heart, causes the breath to be withheld, holds the urine, blocks the urinary passage, causes the abdomen to distend, numbs the brain, breaks the mountain, destroys the forest, makes the sea rise, breaks the house, dashes the ships, hurts the mind, diminishes judgment, stirs up the world, tests the strength, accumulates sins, and distances God.

She alters fate, destroys destiny, misleads man, breaks his head and puts him to death.

This is done by the wife with the air sign called Thadiyaddi. She looks wherever she wants to look, goes wherever she wants to go, winks whenever she wants to wink, walks whenever she wants to walk, lies down whenever she wants to lie, controls whom she can control, ruins whatever she can ruin, aims wherever she can aim, sleeps wherever she can sleep, laughs whenever she can laugh, hides wherever she can hide, wanders wherever she can wander, snatches whatever she can snatch, and sends her husband's life to the other world.

So does, Thadiyaddi, the wife with the Air sign.

There are yet many more traits in this third type of wife .

04. **“Your Fourth Type of Wife”** - **“Your Water Sign”**

The fourth type of wife of the Water sign called Thandaddi (the one who causes the club to be brandished) runs over the hills and lies on valleys.

She is bound where she should be bounded, lies where she should lie, runs where she should run, rolls where she should roll, scatters where she should scatter, controls herself where she should be controlled, gets infested with worms where she should be infested, gives an offensive odor from where such odor should emanate, leaps where she should leap, and goes wherever she has to go.

This is the wife of the fourth type, of the Water sign called Thandaddi.

Did you see the mischief of these types of wives, my son, gem of my eyes?

Disciple:

O Guru, is there any benefit in researching into the characteristics of each type of these wives, Swami?

Guru:

Yes, there is. I shall tell you one more thing. Please listen.

There are names depending on the circumstances for these four types of wives. When men without wounds, itch, or boils take one of these woman, itch or boils appear on them with oozing ulcers.

For a man, born as human, living as human, residing as human, the first type (of wife) I mentioned earlier called the graceful Manaiyal is the real marriage. Realize this well. The virtuous wife performs virtuous deeds, not deviating from the virtue of home life. (However), if this virtuous wife who loves the lives of others as her own is herself a big burden to a man, should the rest be told?

Son, know this with a little measure of caution and reason.

Further, if this same man were to marry a woman one, two, three and four times by mutual liking between man and woman, he loses his wisdom, blinds his eye, loses his discretion, emaciates his body, suffers and creates injury to his heart.

As a cure for that hurt he takes another wife. This becomes a second burden. A third wife is a caustic remedy for his wounded heart, and a fourth wife satisfies his ego. This common factor exists for both man and woman. Will this factor bring happiness? No, it is very rare indeed!

Nevertheless, having ourselves caused injury to our hearts, and as a cure for it, we use caustic dressing material, and a load of caustic medicine for the wound, will we die or survive? Contemplate on this.

Disciple:

All right, Swami, I understand. People refer to "Illaram" and "Thuvawaram" (married life and the life of the recluse). Which of these is desirable?

Guru:

Listen dear. As I said earlier, God is love.

If one were to get a Manaiyal with a melting heart, who discards wealth and the pleasures of worldly life, but reveres the feet of her husband, who is absorbed in the One and Only Almighty Lord, the God without form, then in such an instance, domestic life is an ocean of bliss.

Nevertheless, this opportunity is very, very, very rare indeed! Be what it may, life itself is burdensome.

Disciple:

Swami, you mentioned guru.

How is such a guru to be recognized?

How is he to be searched for?

How are we to associate with him?

Teach it to me in detail.

Guru:

Listen child.

Isn't this the world? In it there are many movements.

To be born a man, one has to perform several crores of meritorious deeds.

To be born a man among men, one has to perform meritorious deeds many times over.

Among them, to be human among humans, one has to practice much more severe religious austerities.

Disciple:

Swami, how can one perform meditation before birth?

It is said that meritorious acts are performed before birth.

If that were so, how can one perform meditation before birth?

In that event, is the world a happy place or a sorrowful one?

Guru:

Oh is that what you are asking?

I shall tell you. It is true that to be born in this world is great.

- 1. The Motionless All-Pervading One is the Omnipresent Silent One.**
- 2. The world is a hypnotic fascination.**
- 3. The mind is agitation, (Disorganization, And Bewilderment)**
- 4. The words of the gnostic guru are a driving force.**

These four are divided into sixteen divisions.

I shall give you the meaning of these sixteen divisions later on (in Chapter 3).

Now I shall answer your question.

||

Disciple:

Swami, O Guru, what is the Motionless One?

Guru:

Son, the Motionless One is one who cannot be known.

The Formless One pervades here, there, and everywhere. He has no appearance, no shape, no name, no country, no wife, no child, no friend, no connections, no end, no temples, no ponds, no religion, no people, no hands, no legs, no mouth, no head, and no abode of his own.

He is far removed from human knowledge and even beyond that. He is the Motionless Ultimate One. Do you understand, Son?

Disciple:

How is this Ultimate One to be reached?

How can such a One who is formless, elusive, ruling here, there, and everywhere, protect us?

How will He give and take?

He has no hands, no legs, and no mouth.

He will therefore be unable to speak.

How can we discover such a God?

Guru:

Son, do you understand what I have been saying?

You question me about His want of a mouth and His lack of hands, do you not?

Let me tell you about a particle of a particle of the size of dust of His greatness.

Listen.

II

Gracefully He appears as the ripened fruit, without flowering or bud.

He protects, not being a mother, but akin to seventy mothers.

He speaks without a mouth and enters the mind with grace.

He protects, questioning and listening to thy answers without an ear.

He alone dwells in all of us without a mother.

He helps those who employ truth without insincerity.

He is the tongueless Lord who speaks through our hidden tongue.

Without a scepter,

He is the Guru Lord who rules everywhere as the One Umbrella.

Deathless, He exists everywhere, evergiving and never abandoning us.

A King without a palace, He is the One who gives clarity.

As the Resplendent Bright Flame (the Triple Flame), within and without,

With expectations of benefit from none,

As the Lord of those in seclusion and in distress,

In the middle of the night or during the day,

Without causing pain to those who live in harmless surrender,

To those maidens with hearts of kindness,

To the great ascetics, to virtuous men and pure woman,

He appears gracefully as the wick of the Lamp of Faultless Guru Wisdom.

With perpetual grace,

He is the Lord who vibrates within Love and Compassion.

If thou art aware of the words of such a Lord,

And submit to the advice of the Wise Guru,

Then, what is distress?

What is poverty?

Is there any parallel to this?
Know this, O my son,

So seek thou the right Guru.
I have said so, my son.
He will certainly help thee.

God is the Motionless One.
He is Allah.

Have you understood this, my son, gem of my eyes?

“Your Sixteen Divisions”
of
“Your Life”

II

V

1. **“Your World”** Is **“Your Guru”**

It shows you hypnotic fascination.

II

2. **“Your Parents”** Are **“Your Guru”**

The parents are the gurus of the (64) arts.

II

3. **“Your Foster Mother”** IS **“Your Guru”**

The foster mother is the Guru who raises you.

(Bawa. See **“Your Chapter 11”**, page 42, “Your Prophet’s (Sal.) Advice To “Your Hazrat Ali (Ral.), Within “Your Quranic Surat” Called "At Tarique", 4th line "No human soul but had a guardian over it" IN **“Your Pearl of Wisdom” Bawa Book**, and that is for sure. Amen.

Bawa. Also, see “Your Bawa Book” by His Holiness, **“Islam & World Peace: Explanations” By “Your One True Sufi”, In “Your Chapter 12”**, "The Inner Quran - Umm al-Qur'an", page 135, for a beautiful explanation by His Holiness of the "Inner Qur'an", the "Umm al-Qur'an", which is the essence of the Qur'an, the eye of the Qur'an, the mother of man's justice and faith, the mother of man's wisdom, the mother of man's inner most heart, and as such could be viewed as “Your Foster Mother” of man who raises us, the hidden mystical mother within each of us that in truth raises us, raises the True Believer, the mumin within us).

II

4. **“Your School Guru”**

The school is the guru that creates (within you an) affinity for the worldly pleasures in the drama of life, and (for) the development of the body, and its survival.

||

5. “Your Relationship Guru”

Associateship (Relationship) is the guru that teaches you good and bad, bad and good, like going to school, showing affection to many and mixing with them.

This is the relationship guru, which is to move as close friends, teaching good or evil in accordance with the relative relationships.

||

6. “Your Employment Guru”

The guru who initiates you to seek employment and thereby improve yourself.

||

7. “Your Dancing Damsel Guru”

The damsel guru who shakes the mind, causes pain to the body, weakens the nerves, melts the bones, enhances pleasure, makes sorrow permanent, winks the eyes, melts the meaning, distances the Lord, and diminishes courage.

She is the dancing damsel guru who pushes you to the depths of hell.

||

8. “Your Demon Guru”

The asura guru (the demon guru) who reduces the mind to dust and the state of the mind to ash, honours maya (illusion), elevates the manthric magic and teaches the acquisition of things.

||

9. “Your False Devotee Guru”

The false devotee guru who conceals truth, divides strength, and tempts you into sinful acts.

II

10. “Your True Wise Guru”

The Meignani (the true wise guru) who disciplines the senses, establishes good deeds, elevates charity, destroys the malefic force, exhibits the bliss of the greater happiness of self-realization, and shows as fate the "I" and the "you", the world, slumber, the sea, the hills, the mountains, the body, the stomach, the valley and the land.

He implants wisdom, enhances judgement, and dispels the adverse effects of destiny.

II

11. “Your Great Guru”

The Great Guru who shrinks the body, establishes truth, loves other lives as His own, exalts service to man, and performs his duty to the country.

He recognizes love as God, and charity as noble, the straight path as the great path, the world as a narrow path, and that there is reward in service to other.

II

12. “Your Guru of Ignorance”

The guru of ignorance is devoid of the inner eye. He schemes to appease his one-span stomach, conceals the Motionless Unique One, and projects the movable one, disturbs wisdom, enhances arrogance, increases greed, separates the "I" and the "you", creates drama, separates the six levels (kinds) of wisdom, affirms the transient as real, stirs the senses, makes gods of all what he sees, makes kovils (temples) of the things that are pleasant to behold, forgetful of the hereafter, and pushes you into the deep hell.

He has no self awareness, no understanding of race, and is not mindful of the future. He makes the world a market place with divisive mentality. He consumes all lives as food for the survival of his one span stomach. He conceals truth, elevates

falsehood, and torments the living beings. So does the guru of ignorance.

II

13. “Your Betraying, Possessive Guru”

The mamakaram guru (the betraying, possessive guru) roams the world, commands respect, shortens life, develops his body, destroys God, kills the analytical wisdom, uses every opportunity to elevate himself, forgets God, loses compassion, loses his eyes, conceals intelligence, buries beauty, enhances false bliss, elevates his reputation, displays his pride, loses his heart, forgets his character, and covers his body, mouth, and stomach. He competes for himself in the four corners of the world.

What appears as pleasant becomes sorrowful throughout life. For example, physical exercise is pleasant for the body, but eventually is painful for the entire body. There is unfathomable sorrow in the last crossing.

II

14. **“Your Poet Guru”**

The poet guru thinks there is nothing beyond his education. He says he can mend breakages, and resurrect the burnt-dead. Pleased with his words, he prides himself of his speech.

He rejoices in his desires, welds the separate parts, destroys unity and dances and sings according to the limit of his knowledge.

He stretches his arms for alms, showing his one-span stomach, speaks all that comes to his tongue, composes what comes and casts away what is beyond his comprehension.

He augments his existing knowledge, argues that what he says is correct and what others say is wrong. He picks quarrels with a rod in hand, breaks heads, and pollutes the mind.

He forgets to realize that there is one caste, one race, and only one God, the Omniscient of Illumination, and that we are all born of one womb.

He divides race, damages wisdom, casts away the Motionless Unique One and accepts the transcient "I" and "you", and "you" and "I", and the dancing dog that barks at the hill. He is the poet guru.

II

15. **“Your Merciless, Flirtatious, Winking, Prostitute Guru”**

The flirtatious, winking guru snatches away respect, deadens intelligence, and takes away your rights.

She winks the eye, mesmerises ideas, devalues God, holds the hand, bites the cheek, shows the teeth, twists the body, dulls judgement, extols the virtues of maya (illusion).

She winks to create an opportunity for adverse purposes, steals the mind, excites the body, and instills torpor into the mind. She arouses lust and drives you into the jungle.

She is the merciless prostitute who leads you to the end of the wrong path. She is the flirtatious, winking guru.

II

16. “Your ‘I’m Living In The World Deceitfully, Thank You, Guru”

The sixteenth type of guru thinks that the world, the worldly possessions and freedom are pleasant.

He believes that the body, wealth and life are eternal; wife and children are proud possessions; name and fame are praiseworthy; shops and markets are gains; and titles are creditable.

He sings the various songs of praise, speaks sweetly day in and day out, sows his thoughts as seeds, develops his body, and exhibits pride in wife, children, and cattle. He cuts the universe and rolls away death.

He hurts the poor, abuses them, splits the world, rolls up the fragments and grabs them. He tortures the poor and makes them suffer. He reduces their wages and destroys co-operation.

He torments the mind, demeans man, devalues good deeds, increases sins, and openly gives money at high interest.

He sees obscenes scenes, often laughs, speaks the unmentionable, and believes that this birth is pleasant. He witnesses obscene scenes, destroys man's ideals, wears costumes that should not be worn, sings songs not knowing how to sing, runs not knowing how to run, and follows the track the body leads through.

He is forgetful of nature, forgetful of birth, and fosters devilish divisive tendencies, induces forgetfulness of God, and accepts all visible objects as gods.

Armed with ideas of destruction, he severely abuses those who have realized God. He kicks, assaults, and chases them away.

Alas, this guru would be kicked, torn into pieces, secretly consumed as food, and the world would not know what had happened to him!

∨

These four gurus join together and silence the truth, make god of stones, turn duty into ashes, elevate pride, falsify patience, turn sakthi (power) into ash, ruin moksha (salvation), turn race a source of pride, make religion a precious stone.

(They join together and) exalt the family, destroy the saints, ridicule the elders, turn gnanam (greater wisdom) into a jackal, treat worldliness as life, and make the "Ultimate One" the fisherman's basket for catching fish.

They convert affection to friendship, and consider the weak objects strong. They lack intelligence and are unmindful of discrimination. Forgetful of the day and night, forgetful of birth and death, they focus both eyes inside the genital organs, ignorant of its meaning.

They open their eyes and gaze. They look and look, blink and blink, and laugh and play. Not sending their senses on the right path, they enter into this net, and show continuous affection.

They commit these acts in order to develop the body with the one-span stomach. They burn religion and philosophy into

ash to further their ends. Further, in order to look after their wives and children, they follow the paths chosen by them, thinking that they have acquired the required knowledge.

Inspired by selfish motives, they think that whatever they consider is the great religion. They divide the race, ruin the mind, torment life, and forget the One, the Almighty.

Dividing them into several forms, naming them with the names and forms of various gods, they commit sins, discept the analytical wisdom, and forget the All-Pervading One!

They mesmerize the world, silence true wisdom, give life to the physical sciences, and consider the false science as the truth, saying,

"What I say is supreme".

|

"Look here.

|

"He is my god"

||

So saying, they show the darkness.

||

(They also say),

"There is no One God here".

|

All what you say is false.

Your religion is false

You are also false. Your god is false"

|

"What I say is the truth.

My religion is the exalted one.

My race is the best.

All else is false.

Look at this earth."

||

So they argue, saying what comes to their tongue, and moving around with falsity. They live as the great reverential gurus, accepting as their own, their stomachs, their lives, and their children, in order to protect them.

They praise their own virtues. Even the great learned gurus and mystics so transform themselves. This is their fate.

||

"One Crore" earns "Through Work".

|

"Seven Crores" eat "Through Deceit."

||

This is how the saying goes. These tactics are the examples of deceitful living. Those who are enamoured by this world are the so-called mahagnanis (great learned men).

||

"Your Path"

of

"Your True Guru"

||

∨

O son, believing in God, man must surrender his character to Him. The man who exists with a compassionate heart, born as man, living as man, residing as man, realizing the night and the day, knowing death and birth, will not be caught in the net of these gurus.

||

Did you listen, my disciples, the gems of my eyes?

Did you listen to the novelties of the so-called gurus of the four religions?

Disciple:

Swami, O Great Guru, is there anyone born as man who is steadfast and truthful, and who preaches the truth?

Guru:

Listen child. There is! I shall tell you.

||

“Your Primal One”

I

“Your Guru” of “Your Heart”

II

V

He is the Lord who is too mighty to know. He is the Lord of the crores of the universes. He is the Incomparable.

He has no helper, no race, no differences, no madness, no country, no abode, and no self respect. He has no self-esteem, no religion, no philosophy, no resonance, and nor is He within resonance. He is not there.

He has no religion and nor is He within religion. He is unlimited. He has no equal. He has no language and no temple and nor is He within a temple.

Let me say further. Among these four religions there are those who believe in the Incomparable God.

They discard arguments like,

"You are great" and "I am great",

And praise only the Lone Lord. They worship Him with a melting heart.

You must worship Him in a way where your sea of compassion will surge, opening the eye of grace. Unaided you must worship the Helpful Lord who sustains the two worlds.

You must not keep Him in this and that, in stone, in tree, in bronze, in the sivam (the religion of Siva) but worship Him within your heart, opening the inner eye, not confining to religion and race, not regarding anything else as comparable, not allowing the mind to run here and there, even for a second.

You must reach within your heart for the Primal One who encompasses the entire universes with tranquility and virtue. You must rejoice within your wisdom with an exuberant heart, devoid of deceit and animosity and with self-awareness.

You must forget the world, discard woman with self-affaciveness, and eliminate the desire for them. You must praise the real God, the Gem of the Eye, the Embodiment of Compassion, in order to cast away woman.

The best among these gurus is he who day and night, every hour and minute, devotes both his breath and his speech with love for the Primal One.

He entrusts his body, wealth, and soul to the Rightful Owner, converting his heart into a kovil (temple), dispelling all thought, cleansing the qalb (heart), and rejoicing in prayer, recital, and worship.

He is the True Guru who conducts himself in this manner in all four religions, without wasteful arguments, without wasteful exercise of his tongue, and without vain jabbering.

He shows the particulars of reality, eradicates the three evil qualities of egoism (arrogance), karma (personal thought), and maya (illusion), erases the six karmic evil forces of the mind, namely, kaama (lust), krosha (animosity), mokha (greed), lobha (miserliness), matham (bigotry), and machariyam (envy).

He destroys the strong enemy of the mind and does not waste his useful life. He changes a wasteful life to a good life with a melting heart. He keeps the Lord in his heart and does not allow Him to depart even for a day.

He keeps Him tied with the rope of love. He is the guru who has taken the exalted human form. Born as a human, he lives a rare life, rightfully merging with God and associating with Him.

The fifteen other gurus get together to torment him, assault, push, pelt him with stones, throw thorns, dismantle the body, break the teeth, break the bones.

(They) abuse him, backbite him, slander him, and send him out of this world.

Born in this earth, and taking the form of men, these (other 15) gurus get entangled in their delusionary characters. They clothe themselves in different attire, and take different stances. They believe in their own self-infused ways.

Those gurus among them who are pelted with stones, have their bones broken, their teeth plucked out, are abused with words, and are driven away, can become excellent and perfect gurus.

Know this my children, my disciples with pulsating hearts.

“The meaning: Not everyone born with the form of man is a man, and not everything that lives in the world has wisdom. Of all the things that appear in the world, there is not one that does not kill, and there is not one that does not eat.

Nothing that lives in the world lives without hunger, illness, old age, or death. Everything that has a form made of the five elements has hunger, illness, old age, and death.

It is said that when hunger comes, the ten good qualities and the divine analytic wisdom which distinguishes and sees, fly away. The pangs of hunger can destroy wisdom. The selfishness of the body exists as desire, blood-ties, attachments, religions, races, castes, separations, philosophies, scriptures, differences, praise, and blame.

There are 17 puranas, or ancient epics, which make up the world - arrogance, karma, and maya, or illusion; the three sons of maya: tarahan, singhan, and suran; lust, hatred, miserliness, greed, fanaticism, envy, intoxicants, desire, theft, murder, and falsehood.

Creation is the world in which you now exist and in which you are now studying.

The qualities of all the 17 puranas exist in the creations of this world. The creations catch and eat each other, kill each other, conquer each other, hypnotize each other, drink each other's blood, praise each other, and blame each other.

They perform four hundred trillion, ten thousand kinds of spiritual miracles, energies, mesmerism, magics, mantric magic, illusory magic, sexual games, arts, sciences, and sexual teachings.

The beauty of form, the visions seen by the eyes, the music heard by the ears, the smells smelled by the nose, the tastes tasted by the tongue, all the energies of the five elements, the qualities of the 17 puranas, and the millions and millions of shadows within the puranas are all contained in the huge

world that exists within the heart of man. That world contains the 18,000 universes. It lies within man, and man lies within it.

Sometimes man praises the world and sometimes he blames it. Sometimes it makes him happy and sometimes it makes him sad. Man thinks that he can reach liberation in this world, and he studies its histories. Because he exists in this state, he might try to catch, kill, and eat, praise or blame any of these creations. But actually, man contains the world within himself.

Children, the intellect of man can perceive that there are two worlds. One is within his heart, and the other is the world outside which is seen by his eyes and perceived by his senses.

In this world of physical visions, he sees each creation and gives it a name, such as 'animal', 'dog', 'fox', 'tree', 'bush', 'vulture', 'eagle', or 'monkey'. These animals are visible to the eyes. When he looks at these works of art, he might write stories about them, sing songs about them, or praise them.

But in both worlds, animals will come to try to kill a man of truth, a man of mystery. They will come to eat him and to destroy him. We must pretend to believe them. We must act in such a way as to deceive them, and then we must escape. Man must escape from these 'animals' in order to leave this world.

Man must understand this with mysterious wisdom. He must deceive those things, pretend to believe them, and then escape. If he believes in them, they will destroy and eat his unique birth. If he believes in them, they will kill his connection to that unique mystery. We must pretend to believe in them, deceive them, and escape. Otherwise, they will try to kill our connection to the mystery, and they will try to kill us.

This is one thing that the ant man says.

II

Believe in God.

I

Believe in the one point.

II

Believe in the One God, the mysterious God.

|

He will embrace and protect you.

|

That one point is the mystery.

II

Guru:

If you close your mouth and control your sense organs, the resonance is unable to exit itself, unable to leak out and lights up the seventh chakra (the seventh spiritual sphere) in the body, breaks the point called "piramaranthiram" by the "r-e-e-eeng" noise and reaches the great open space of peace and plenitude.

Those who reach this stage are labelled with the stamp of silence. They are the incomparable gnaanis, hermits and rishes (the enlightened ones).

In this great open space are many crores of those who rule the universes. They call the open space the self-existing eternal space and there they worship the Primal Unique One.

It is this Primal Unique Space beyond which is called in the abstract as "sithamparam," and in the body, as the open space of plenitude, comprehended by the body.

This is the tranquillity of the Primal Unique One beyond.

It germinates from the region of the base of the spinal cord and of the genitals. This is the state where the beginning or the end cannot be seen. It has two roots in the body. If you

look below, there is the region of the base of the spinal cord and the genitals. If you look upwards, there is the point called “sahasraram .”

In between these two roots is the perfection of the resonance.

Listen to this illustration. If a bottle containing water has its openings blocked, when you turn it up or down, you cannot see which side is the top or which is the bottom. You cannot see the beginning or the end. This force appears as soon as the openings of the saktis are closed. If the exit is not closed, water will leak out when the bottle is turned upwards or downwards.

Likewise, if the water of the life force inside the body is not closed up at the openings, and we frolic about, the life force transforms itself into the soul force, the elixir of life or the sensual pleasures and pours out as semen or female secretion at orgasm. This leads to the development of the world of illusion.

If you wish to merge with God, you should convert the soul force into the bliss of the life force by controlling the

pleasurable senses. If you can do this, you can live without tasting death and remain immortal.

Poet Valluwar has said,

“He who behaves will live forever.”

He further said,

“Behaviour is controlled by the five senses.”

You should think about these with subtle wisdom, my son. Then you will see that God is within you. You cannot fathom the mystery of the bliss of such worship.

The spark of graceful wisdom is already established in the helpless baby at birth. Therefore, the grace of gnaanam is in everybody. But man does not know how to make use of this and becomes “manu-neesan,” the degraded one. His character and conduct display a false appearance. He calls himself a manu-eesan and assumes both these roles.

If a virtuous guru is available to him, he shows himself as manu-eesan and creeps into his wisdom, divides the six

facets of wisdom, dispels the false substance and lights up the bliss of the Omnipresent God.

He is destructible but shows himself as manu-eesan. It is for this reason that I say you need a true guru with wisdom. You should trace him and stick to him.

The guru does not discriminate between the high and the humble. The Primal One who mingles with the high and the low stays with the wise as wisdom, as compassion, as grace, as a limb, as a resplendent wisdom that rules the world, as the ripe fruit of wisdom, as the honey of joy, as the three shining effulgence's, as the triple resplendence of the parts of the body, as the lamp of clarity and as the heart that rules the wide world with lustre.

He is the Primal One, my little brother.

V

Allah created man out of seven metals. He combined these seven metals and purified them to shine as brilliant as a diamond. He inter mingled this combination with Aathi Aatham, the effulgent light of Muhammad and Himself, The Aathi Rahman. He converted this combination into one colour. He further melted it into bronze and further into gold of five facets. Finally, He melted it into the form of the body of man. He solidified this body by enshrining within it, the light of Muhammad. This light grew and developed into a glow and out of this glow, Allah created manu-eesan and made him related to all other human lives.

Allah is the Father of man and all lives are His children. They should listen to His words, obey Him and worship Him. He ordained that a manu-eesan should help all lives and show compassion towards them. He also ordained that all lives, including the house-fly, ant, goat, cow, tiger, lion and totaling up to 84,00,000 lives should show love and compassion to the manu-eesan and obey him.

In accordance with this order, Allah created manu-eesan with six pure levels of consciousness. He has given manu-eesan, analytical wisdom and exalted him as a father of all other lives. He has made manu-eesan, the mundane god of all living beings in the world. He has made manu-eesan, the helpful father for the one level consciousness life form, for the two level consciousness life form, the three level consciousness life form, the four level consciousness life form and the five level consciousness life form.

We are the children of Allah, the Primal One, through whose instruction of Grace, it has been decreed that we should shower kindness on all lives, offer sympathy, generosity, benevolence, justice, truth, patience and calmness. We should fulfill our duty of offering kind assistance and be a mother to all lives. Therefore, we must have adequate wisdom. There are lives with one level of wisdom and there are lives with two levels of wisdom. Allah has created lives with such levels of wisdom too.

Allah created manu-eesan to help perfect these people, offer them kind assistance, guide them on the right path, show them the greatness of God and above all to impart to them,

the loftiness of Allah, impress in every living being the praise of the mau-eesan, enable all lives to be clarified and to vibrate the (2 x 7) fourteen universes with the glory and the marvel of Allah. It is for this purpose that manu-eesan has come to this world.

All creations attack man in many ways. But it is the manu-eesan who is singularly chosen for such attacks. He is attacked in his sleep, in his seat, in his walk, in his determination of justice, in his speaking the truth, in his employment and in the several crores of activities of life. Truth itself attacks truth. It is a characteristic of those with lower wisdom to accuse and abuse those who submit to Allah and who carry out His justice.

If you wish to exalt the Primal One, you should consider greatness as a rarity. You should stamp serenity permanently in your heart. Do not neglect your duty to the Primal One. I shall give you an illustration. All lives are under the control of man. Aren't they ? Is it not man's duty to help all lives ? The testimony of this duty will heighten the glory of Allah. I shall give you another example.

In a land where there is a spring, the water sprouts forth as pure water. The water gushes forth and a person can see his face on it as if in a mirror. But the water in this state is unfit for human consumption. The spring sucks back into itself the water that gushes out and therefore, other lives cannot benefit by it. A man who sees this spring, widens the opening and makes it into a small pond. Many lives come to this spring to drink its water and get benefited. As the opening widens by itself, the pond becomes a canal and its waters flow, four to five miles in extent and expand the canal. Many lives including that of man, make use of this water to drink, bathe and refresh themselves. As time passes, the canal becomes bigger and the water flows to a distance of about fifty to a hundred miles. The living creatures and all other lives in this distance of fifty to hundred miles make use of this water.

The water that comes from the spring into the river is as clear as a mirror. But the heaps of leaves and the dirt from the river beds pollute this water. It is usual for the goats and the cows and several other lives to drink this water and pollute it through their ignorance. People bathe there, quench their thirst, rest and go their way. But the water that emerges from the spring is as pure as glass. The manu-eesan makes use of

this pure water by widening the opening of the spring. Many kinds of impurities get mixed up with this water. A learned man through his ignorance sometimes falls into this water and dies. Some go to the shore and fight senselessly with one another and fall into the water and die. There are yet other creatures who submissively quench their hunger and thirst, and not aware of the flow of the water in the river, step into it, to wade across and get caught to the whirlpools and perish. The Primal One created these people with various levels of wisdom. There are ignorant people who cannot differentiate between good and evil or right and wrong. They spoil the purity of things.

Those who are born as manu-eesans into this world should ignore the actions of these ignorant people and lead them to the good path. They should help to purify such people, remove their impurities, help to develop their wisdom and to experience the Primal One. It is for this purpose that the Primal One has created the manu-eesan.

Man from his birth itself is pursued by illusion. He continues to be guilty in the impure body. Therefore, the Primal One exists within man to purify him as wisdom within wisdom, clarity within clarity, purity within purity, light within light and

as the glow of effulgence. Allah has manifested the light of effulgence in the human form and made that light spread round the world in a very subtle way. The manu-eesan reveals the loftiness of the pure glow of the Primal One, exalts His Power and makes wisdom grow.

The manu-eesan exists as the pure substance that shows the path to reach the Primal One. Son, the sixty-four battalions of diseases are the demons that destroy man's inner wisdom. They are also called little brother, the dogs of the world, the demons of attachments and by several other names.

The spring water that oozes from inside you to flow outside and quench your body thirst and remove the dirt in it, is the resonance of the grace of Allah. The spring of resonance should cleanse the several inner mental impurities and wash them out, little brother. The waters on the surface of the earth are sucked and filtered in. The pure mirror – like waters are sent through the openings of the spring.

Similarly, those who have received Bawa's grace, must suck in all the impurities present in the attachments to the earth and distill them. Bawa's grace would send the waters of the spring as the pure effulgence coming from the mouth. All the

impurities that come out along with it, should be distilled, sieved and thrown out into the earth. The sinful deeds of the worldly beings and of all the lives on earth would appear mixed up with those born on earth. You should display kindness without any annoyance. Without deviating even a little from grace, wealth and bliss, you should enjoy the Primal One with the triple effulgence as One Light. His words of grace would protect the pure flame emerging from the mouth.

So

|

"My Dearest Loving Children" of "My Life"

||

Lets Look Into This

|

"A Little More"

|

OK?

||

--- FIRST ---

||

In Truth

|

“Your Current World”

|

IS

|

“Your Safat” of “Your Life”

||

of

|

“Your Dhat, SIRR, And Safat” of “Your Life”

||

AS NOW EXCLUSIVELY

||

--- SECOND ---

||

“Your Birth, Life, And Death” of “Your Life”

|

Are In

|

“God’s Hand”

||

But

|

“Only Death (SAFAT)”

|

IS

|

“Certain”

||

And

|

“My Dearest Loving Children” of “My Life”

||

“Why”

|

IS

|

“YOUR DEATH”

|

“ONLY CERTAIN”?

||

BECAUSE
|
“YOU ARE ALREADY DEAD”
|
and that is for sure. Amen.

||

Because
|
“Your Life”
|
IS STILL
|
JUST WAITING

||

TO BE
|
“BORN AGAIN”

||

AS NOW

|

“Your Life” of “Your Life”

||

And Start To

|

Exclusively Experience

||

II

--- THIRD ---

II

“God Has Decreed For Man”

|

“Your Thing”

|

Called

|

“DEATH”

||

It Is “Your State” of “Your Manifestation” of “Your Creation” of “Your Life”, Known As “Your Death” of “Your Life”.

God Also Placed Within Man “Your Secret” aka “Your Sirr” of “Your Life” Which Is “Your Eternal Life” of “Your Life”.

One Who Has Understood “Your Sirr” of “Your Life” Has Conquered “Your Safat” of “Your Life” aka “Your Death” of “Your Life”.

One Who Has Conquered “Your Safat” of “Your Life” Will Exist As “Your Essence” of “Your Grace” of “Your Life” aka “Your Dhat” of “Your Life”.

“Your Death” of “Your Life” Is “Your Illness” of “Your Life”.

God Placed “Your Death” of “Your Life” Within “Your Life” So That “Through IT” In Truth “Your Life” Could Understand “Your Secret” aka “Your Sirr” of “Your Life” And Exist As “Your Essence” of “Your Grace” of “Your Life” aka “Your Dhat” of “Your Life”.

One Who Understands “Your Illness” aka “Your Safat” of “Your Life” And Discovers “Your Secret” aka “Your Sirr” of “Your Life” Obtains “Your Eternal Life” aka “Your Secret” aka “Your Sirr” of “Your Life”.

One Who Does NOT Understands “Your Illness” aka “Your Death” of “Your Life” And Fails To Discover “Your Secret” aka “Your Sirr” of “Your Life” Obtains “Your Eternal Death” aka “Your Safat” of “Your Life”.

“If “Your Life” Can “Realize And Understand” In Truth “Your Sirr, Dhat, And Safat” of “Your Life” In Truth “Your Life” Can “Live Forever”, Can It NOT.
